FOR IMMEDIATE RELEASE

Nassau Retirees Legal Fund Endorses Paul Jordonne for Nassau County Legislator, District 10

The Nassau Retirees Legal Fund (NRLF), representing thousands of retired County employees who were represented by the CSEA Local 830 when employed, is proud to endorse **Paul W. Jordonne** in his campaign for Nassau County Legislator, District 10.

In a recent letter to the Fund and its members, Jordonne pledged his firm commitment to protecting the healthcare benefits that Nassau's retirees earned through decades of public service. He emphasized that retirees—who are no longer part of a union—must not see their hard-won benefits diminished by agreements made after their retirement.

“Our retirees are the backbone of this County,” Jordonne wrote. “They were promised fully paid lifetime healthcare coverage, equal or better than the NYSHIP Empire Plan. This promise must be kept, and these benefits must not be diminished.”

The Nassau Retirees Legal Fund applauds Jordonne's understanding of the issues facing its members and his recognition of the County's duty to honor its commitments. His advocacy ensures that retirees' voices remain heard in the Legislature, even as they no longer have union representation.

“Paul Jordonne has demonstrated that he stands firmly with our retirees and their families. He recognizes that protecting healthcare benefits is not only a legal obligation, but also a moral one. We are confident he will be a tireless advocate for fairness and accountability in county government.”

The NRLF believes that electing Jordonne will provide strong leadership and a steadfast ally for Nassau's retired workforce. His commitment to safeguarding retirement benefits makes him the clear choice for District 10.

The Nassau Retirees Legal Fund urges voters in District 10 to support **Paul Jordonne** this election. His proven record of integrity and his steadfast commitment to retirees make him the clear choice to continue representing Nassau County with honor.
