To Seth Koslow

Re: NRLF Endorsement of Seth Koslow for County Executive.

On behalf of the Nassau Retirees Legal Fund (NRLF)—which represents more than 5,000 retired Nassau County employees who were represented by the CSEA Local 830 while employed—we are proud to endorse Seth Koslow for the office of Nassau County Executive.

Our retirees dedicated decades of service to Nassau County, and they earned and were promised the security of quality health care in retirement. The Empire Plan under NYSHIP has provided that security for years, offering reliable, comprehensive coverage that retirees depend on for their well-being and peace of mind.

Seth Koslow has made it clear through both words and actions that he fully supports protecting retirees' right to remain on the NYSHIP Empire Plan and will oppose any effort to force retirees into inferior or less comprehensive health care plans. While others have tried to strip away these vital benefits, Seth Koslow stands firmly with retirees, respecting the commitments made to them during their careers.

We believe that leadership should be rooted in honor, integrity, and a deep respect for those who built the foundation of our county's success. For this reason, and because of Seth Koslow's support of our cause, we are happy to offer Seth Koslow our endorsement.

We urge all Nassau County residents—especially our fellow retirees and their families—to support Seth Koslow in the upcoming election. Our future depends on electing leaders who will keep their promises and fight for what's right.

In solidarity,

The Nassau Retirees Legal Fund Board
