FOR IMMEDIATE RELEASE

Nassau Retirees Legal Fund Endorses Juleigh Chin for Nassau County Legislature, District-9

Ms. Chin has demonstrated a strong commitment to protecting the health insurance benefits that Nassau County retirees earned through decades of public service. In her letter of support to the NRLF, Chin expressed her clear understanding of the issue and her firm stance that Nassau County must honor its agreements and maintain the comprehensive coverage retirees were promised.

By standing with the retirees, Chin has shown she values fairness, accountability, and respect for those who built the foundation of Nassau County. She recognizes that the health insurance coverage guaranteed at the time of retirement is not a privilege but a legal and moral obligation that must be upheld.

“Our retirees dedicated their lives to serving Nassau County, and they deserve nothing less than the full protection of their hard-earned benefits,” said the Nassau Retirees Legal Fund. “Juleigh Chin has proven that she understands the gravity of this fight and is prepared to stand shoulder-to-shoulder with us to defend what was promised.”

The NRLF urges voters in Legislative District 9 to support **Juleigh Chin** in the upcoming election. Her unwavering support of retirees and her commitment to protecting healthcare benefits along with her history of public Service and Volunteer work make her the clear choice for the future of Nassau County.
