

I understand that the \$300 deposit towards the cost of a puppy is non-refundable. I have reviewed the contract on Silver Feathers Labradors website www.silverfeatherslabrador.com and agree to all of its content. I also have reviewed the number of deposits that are ahead of me and understand that "money in first, has pick of the available litter". Please ensure that the information provided below is the best way to reach you. Once I have a pup available for you based on your listed criteria below, I will text, call and email to notify you of the available puppy. I will hold your pup for 48 hours. If I don't hear back from you, I will continue to the next family on our deposit list.
