FIRE

DISTRICT

FIRST QUARTER 2022

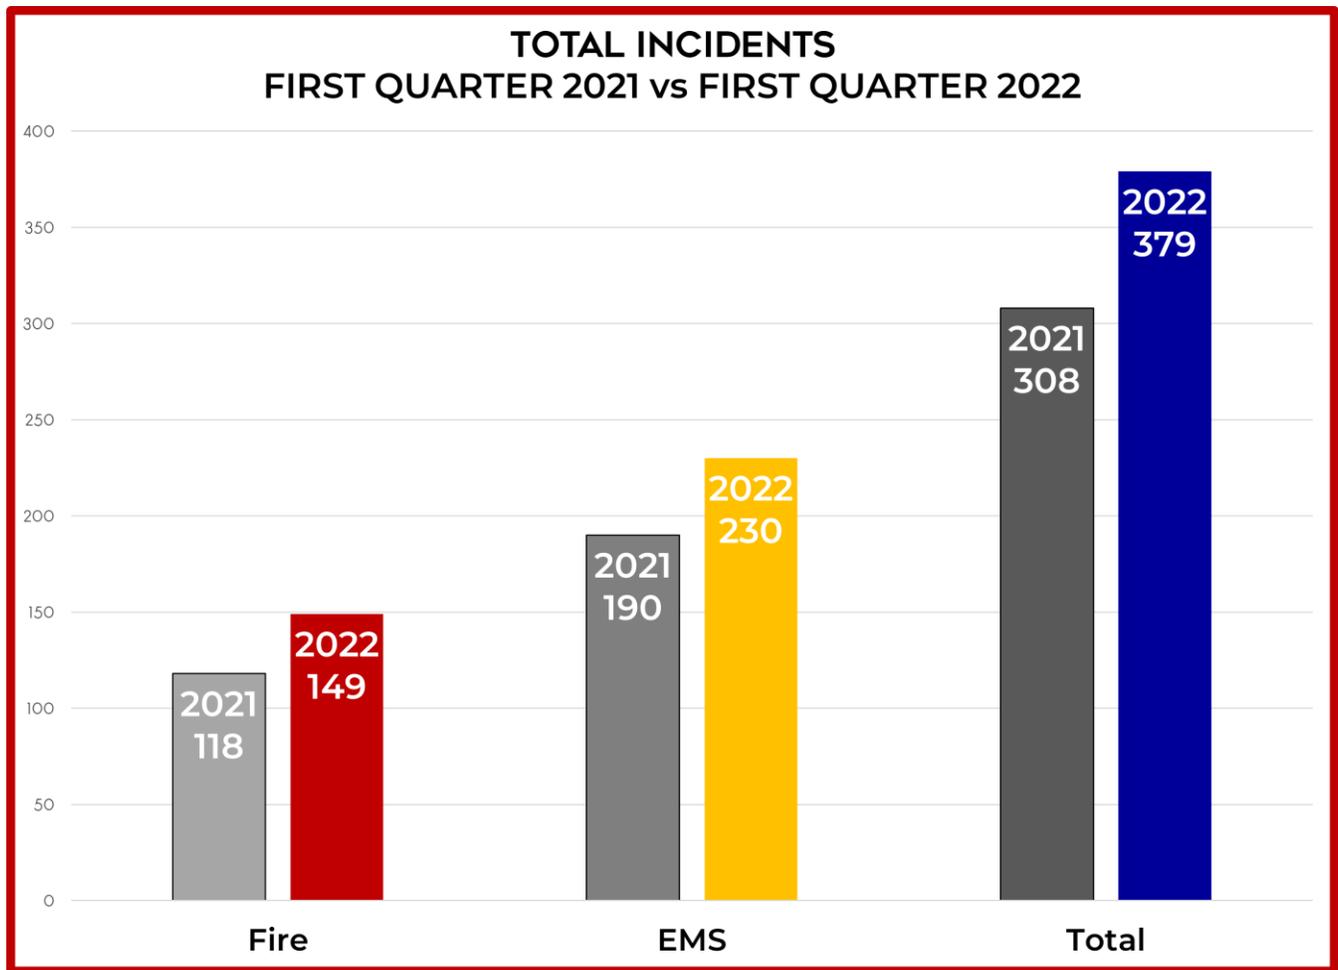

# OPERATIONS

East Dundee Fire District (EDFD) responded to **379** incidents for the First Quarter of 2022 (January 1 through March 31), with a total of **581** apparatus responses, spending **335** hours and **14** minutes of time.

The ratio of EMS incidents to Fire incidents was **61%** to **39%**, respectively. Total Fire related calls for the quarter were **149**. EMS related calls for the month were **230**, including a total of **205** patients treated, with **118** of those transported to area hospitals. COVID-19 was suspected or confirmed in **37** patients.

Overlapping calls (at least one other call at the same time) represents approximately **26%** (**98** incidents) of the total call volume (**379** incidents). **20** of the **122** incidents (**16%**) that happened during the hours of 8 PM to 8 AM represents overlapping calls.

For the months of January through March, EDFD averaged **1.66** Fire calls per day and **2.56** EMS calls per day for an overall daily average of **4.21** calls per day which is an increase of **26%** over the same period of last year.
