- Provide a copy of the valid Illinois Department of Natural Resources Storage Certificate.
- Provide a copy of the fireworks company's ATF License/Permit.
- Written owner authorization for the property where the operation will occur.
- Provide photo IDs for all personnel on site.
- Sign-in and sign-out sheet for all personnel on site on the day.

## Compliance Checklist

Check	Applicant Acknowledgment
<input type="checkbox"/>	All work will be conducted only after permit approval and only within the approved dates, times, and limits.
<input type="checkbox"/>	The site will remain under the control of the permit holder and a qualified operator at all times.
<input type="checkbox"/>	Fire extinguishers, water supply, hand tools, and other fire protection equipment will be provided and maintained.
<input type="checkbox"/>	Mortars, racks, launch devices, wiring, firing systems, and protection of electrical equipment will be installed and secured.
<input type="checkbox"/>	Spectator areas, fallout zones, and exposure clearances will be maintained and kept free of unauthorized persons.
<input type="checkbox"/>	No smoking, open flame, or ignition source will be permitted in storage or loading areas except as specifically authorized.
<input type="checkbox"/>	Unused product, duds, and waste materials will be handled, secured, and disposed of in a safe and lawful manner.
<input type="checkbox"/>	The permit holder will stop the operation in the event of unsafe weather, crowd movement, equipment malfunction, or any other unsafe condition.
<input type="checkbox"/>	A post-display/post-use inspection will be conducted, and debris, unexploded product, and hazards will be removed.
<input type="checkbox"/>	Any proximate audience or indoor special effects will comply with the applicable special effects standard and approved plan
<input type="checkbox"/>	Notifications in writing be made to the residents along the immediate area, including the time and date before the event. (a full address list can be obtained from the Fire Marshal if needed)
<input type="checkbox"/>	On the day of the event, please have a sign-in sheet with all the company employees participating in the show. All participants shall have a photo identification.
<input type="checkbox"/>	A Fireworks Display report must be filed with the OSFM by the Fireworks Company within 24 hours after the show, and the proof is to be sent to the Fire Marshal.

## Applicant Certification

I certify that the information in this application and all attached documents is true and complete. I understand that this application does not authorize the operation until the fire code official issues approval. I agree to comply with the approved plan, the 2021 International Fire Code as adopted locally, NFPA 1123, all other applicable laws and standards, and any conditions placed on the permit.
