\*\*Funds received will be used to build temple infrastructure that includes land development, acquiring deities from India, building deity Garbhalayas and Wallmount / Stand-alone stations, basement, etc. Based on preliminary estimates only, these amounts are subject to change after actual engineering plans are completed and upon receiving the bids. Revised form will be published after the actual numbers are available.

**As the construction begins there will be several other opportunities for: Commercial kitchen in the basement, Elevator, Stage and classrooms in the basement, Furniture in the basement, audio/ visual systems, Gopurams, Gates, and more.**

**Notes:**

1. All donations will explicitly be used for the Temple construction project (planning, construction and maintenance of new and current infrastructures).
2. It is the HTGS management's commitment to allocate
  - 90% towards building actual infrastructure of the temple, acquiring Devathas and ancillary items
  - 10% as reserve for future operational expenses for the new temple
3. HTGS Board of Trustees is committed to utilizing the funds as per your wish; however, it reserves the right to utilize it in underfunded areas of the temple construction project.
