

## **General Guidelines of the Temple**

It is very essential to preserve the temple atmosphere with sanctity, and peace. Such atmosphere is only possible if all the temple visitors abide by the following guidelines:

- Please keep the cell phones and pagers in silent or vibrate mode.
- Before entering the worship area, please remove all footwear / winter coats and place them in the designated area.
- Please maintain silence in the temple (including hallways) especially when pooja services are in progress.
- Please come prepared wearing proper attire suitable for worship.
- Please contact temple front desk staff (or priest if no staff is available) for any information about puja services.
- Please do not leave the children unsupervised in the temple (please remind them it is not a play ground)
- Please help us maintaining the temple clean by properly disposing of all waste at appropriate waste baskets.
- All special pooja services, religious services (in the temple or outside the temple) should be confirmed through the Manager only.
- Sponsorships for Poojas / Abhishekams / Festivals can be performed on an individual or annual basis. Please consult with the manager or the priest for details.
