Team Events

The SSS team and some of our clients recently had the pleasure of visiting 1 Hotel Toronto, a luxurious boutique hotel situated in the heart of downtown.

During our stay, we were treated to an unforgettable dining experience at Casa Madera, where we were delighted by live entertainment and mouth-watering cuisine expertly crafted with an artistic touch.

In addition to their exquisite dining options, 1 Hotel Toronto is committed to promoting sustainability throughout their property, including offering Terrarium Workshops for groups. It was truly inspiring to witness their dedication to eco-friendly practices and we are proud to have had the opportunity to participate and take home these great plants.
