

Hi Kristi,!

Welcome to the April edition of the Strategic Site Selection Suite Talk newsletter! April has been buzzing with excitement as we celebrated Global Meetings and Events Day on April 11th. It's such a fantastic reminder of the magic that happens when people come together to connect, collaborate, and create. We're all about fostering those moments that spark inspiration and drive progress, so it was a special day for us to honour.

And speaking of busy, the Sandbox Events team has been on fire this month! We've been knee-deep in planning and executing some fantastic client events. From cozy gala's to full-blown conferences, we've been there every step of the way, making sure each gathering is unforgettable.

In the meantime, the Strategic Site Selection team was out and about making connections with clients and partners at one of our many client events that happened over the past month. We are so grateful to all our clients who took time from their busy spring schedules to join us to connect over a cocktail or dinner hosted by one of our many partners.

As we take a moment to catch our breath and reflect, we're reminded of why we love what we do. It's all about finding the perfect spot, setting the stage for magic to happen, and watching as our clients' visions come to life. And let me tell you, it's been a blast!

So, as we gear up for the adventures that lie ahead as we move into the Spring, we invite you to join us in celebrating the joy of bringing people together. Here's to a month filled with connection, creativity, and countless success stories!

Cheers,
The Suite Talk Team

Key Account Team Spring Meeting

On April 3 -4, the SSS Key Account team convened for our spring retreat at the Sheraton Gateway, located in Terminal 3 of the Toronto Pearson Airport. The meeting was a day of brainstorming, goal setting and learning, wrapped up with some serious team building and connections.

A heartfelt appreciation to the Sheraton Gateway team for their outstanding hospitality and for offering us such an inspiring environment to brainstorm and plan. Their contribution undoubtedly enhanced our productivity and innovation.

Ottawa Tourism ; Venue Series

On April 17th, we gathered at Black & Blue Steakhouse for an unforgettable evening with our clients, hosted by Ottawa Tourism.

Against the elegant backdrop of the restaurant, we were treated to a unique networking event where we had the chance to connect with sales representatives from various Ottawa hotels.

Amidst the lively conversations and the exchange of ideas, excitement filled the air as guests eagerly participated in prize giveaways, adding an extra layer of thrill to the evening.

The event not only provided a platform for forging valuable business connections and learning about all that Ottawa has to offer, but also offered the opportunity to win fabulous prizes, creating a memorable experience for all who joined us.

Snapshots from Sandbox Events

April is also the Sandbox teams busiest month with client events. This April brought us a whopping total of 7 client conferences and a host of other small 1 and 2 day events including a one day national sales meeting delivered virtually.

We were so honoured this month to support the Canadian Dental Association with their Annual General Meeting held at the Sheraton Centre Toronto Hotel. From multiple board meetings to the AGM and capped off with a spectacular Presidents Installation Dinner featuring entertainment from Parkside Drive, it was a memorable few days for our client and their attendees.
