Client Events

Meet & Eat with Niagara Falls

On June 11, Strategic Site Selection and Sandbox, along with a small group of clients were hosted by Niagara Falls Tourism for an intimate dinner of networking and fun at [Eastbound Brewing Co.](#) The evening featured a fantastic dinner and tour of the brewery including tasting directly from the tanks!

Big thank you to our hosts Niagara Falls Tourism! Be sure to connect with us so we can share what we learned!

Meeting Minds by Fairmont Royal York

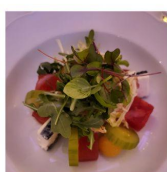

Meeting Minds held on June 19th and hosted by the Fairmont Royal York was our newest collaboration with our partners at Fairmont, WholeHearted and Encore. The evening was an engaging evening of education for new meeting and event planners.

We couldn't have imagined a more beautiful setting in the Imperial Ballroom where each of our partners took turns presenting on their capabilities and how each of us work together to help our clients deliver winning events.

Big thanks to our hosts and Cat from WholeHearted to wrapped up the evening with a fitting give back to our local community.

We are looking forward to hosting more of these engaging evenings across the country this year.

Want more information about our partners; Fairmont, Encore or WholeHearted? Let us know!

Supper Series - W Toronto

On June 20th, we joined the W Toronto team along with a small group of clients to celebrate the opening

of their fantastic terrace located on the 6th floor of the hotel.

Decorated with Missoni, the terrace is Toronto's coolest spot to grab a summer cocktail and is located on the same floor as the hotel's meeting space, making it the perfect spot for networking for your event.

Big thanks to the W Toronto sales team for your hospitality - the cocktails and the company made it an evening to remember.

Supper Series - ANDAZ Byward Market

We love Ottawa, so we jumped at the chance this month to have dinner with our friends at the Andaz Byward Market and bring along some of our Ottawa clients!

Attended by our CEO, Mark, and Dana Adkin from Sandbox Events, it was a wonderful evening filled with networking and connections with some friends that we just love catching up with.

Client Review

"Let me start by saying there is no Summit without Sandbox. As the only events manager on the Torque side of the team, I feel beyond grateful to be in a team with you guys. Your knowledge was liquid gold to us this year. Thank you for making what is one of the most difficult jobs, look easy. I get a lovely glowy feeling whenever I think of the Sandbox team".
