

CAPABILITY STATEMENT

Go Now Solutions LLC is a small business structured to provide courier, medical delivery, and transportation support services to healthcare providers, government agencies, and commercial clients. Based in Hawkinsville, Georgia, the company is organized to support time-sensitive, regulated, and chain-of-custody deliveries for medical and agency environments. The firm is designed to operate initially with light-duty vehicles (SUV-based courier service) and scale into cargo vans and box trucks as contract awards and capital allow.

Core Competencies

- Medical and healthcare courier services
- Lab specimen and regulated material transport
- Time-sensitive and scheduled deliveries
- Secure handling of sensitive and regulated materials
- Regional logistics and transportation support

MEDICAL DELIVERIES

- lab specimen
- fragile medical supplies

FACILITIES SERVED (OWNER EXPERIENCE)

- hospitals
- clinics
- VA Facilities
- pharmacies
- medical suppliers
- veterinary clinics

Differentiators

- Owner is HIPAA and Bloodborne Pathogens Certified
- 24/7 availability for urgent and scheduled deliveries
- Strong knowledge of regional healthcare facilities and their logistics needs
 - Adhering to sound safety protocols
- Commercial liability and cargo insurance is arranged and will be activated upon contract award

Expertise

- Extensive experience in carrier services and logistics, with a strong background in transportation operations
- Hands-on expertise in coordinating deliveries, managing routes, and ensuring timely transport of sensitive materials
- Leveraging past experience in the courier industry
