## Branford Towne Houses Cooperative

In April, we are immersed in a vibrant array of events and observances that encompass laughter, hope, and awareness. As National Humor Month unfolds, we're reminded to find joy in the simple pleasures of life. April kicks off with the playful antics of April Fool's Day, reminding us not to take ourselves too seriously. Moreover, it marks the National Month of Hope, a time to nurture optimism and resilience in the face of challenges. Additionally, April shines a light on Autism Awareness Month, emphasizing understanding and support for individuals on the spectrum. As we embrace these diverse occasions, let's come together to celebrate, learn, and foster a community of empathy and inclusion. Furthermore, Earth Day, a global movement to protect our planet, falls in April, urging us to take action and preserve the environment for future generations.

# Important Reminders

**House and Grounds:** inspections have began, so please have your areas in compliance with current policies to avoid those dreaded letters.

**House and Grounds for Seniors:** We will no longer provide services for our senior members and those with disabilities helping to maintain the exterior grounds area in the front, back and sides of units.

**Emergency Work Orders:** Members should call 313-292-4624 for emergency work orders after 5pm and before 9am Monday through Friday and weekends. An emergency is a condition that endangers human life or poses a serious danger to property. This includes smoke detectors beeping (even for battery replacement). Please refer to your rules and regulations for more specific information.

**Annual Inspections:** In April of 2026, members will begin receiving a letter in the mail letting them know what month we will be doing their specific unit. Inspections will be done every other year. Please don't wait for an inspection to report problems you are experiencing. Members can call the office 313-292-0810 and request a work order at any time. Members **MUST** call the office to request that staff wear booties otherwise they will not be worn. Thank you for your cooperation.

**Trash:** Be reminded all trash **MUST** be placed in securely tied plastic bags and placed inside dumpsters. Failure to comply may result in fines. Large items such as furniture/boxes **must be placed in the bulk dumpster on Baker St.** Do not place furniture next to the bulk dumpster as this will result in a fine as well. Throw your bag to the back of an empty dumpster to allow those that come later room to place their garbage.

**Animal Owners:** Members must immediately clean up messes caused by their pet/service animal. The term "messes" is defined to include defecation, garbage, and the like. Dog droppings must be disposed of by being placed in a plastic sack, secured and then placed in a garbage receptacle. Failure to comply will result in the following 1st offense \$50 fine, 2nd offense \$100 fine and 3rd offense \$100 and possible eviction. Pet permits and Service animal permits may be revoked for failing to comply with the pet policies/rules and regulations.

**Annual Update Letters:** Members are sent unit update letters through the US mail. Be sure to keep an eye out for these forms during the anniversary month of your move in. Members are asked to complete these forms and return them to the office promptly. Failure to return the forms as requested will result in fines issued to your account.

**Vehicle Registration:** All vehicles associated with a members unit must be registered with the office AND a parking permit affixed in the rear passenger window in order to park in a Resident or numbered space (exception those members with a temporary or special permit assigned by the office. Vehicles parked in a numbered or Resident space without a proper permit are subject to being towed at the vehicle owner's expense. Members are permitted to have one vehicle per licensed approved occupant. Changes in vehicles must be reported and a copy of the registration and insurance.

**\*\*\*NEW\*\*\* Sanitary Drains:** Waste from toilets and sinks eventually end up in the same sanitary line. This is the line that will get clogged, causing existing waste in the line to back up into basements. To avoid backups **do NOT flush anything** other than human waste and toilet paper in toilets. **"Flushable" wipes are NOT permitted** as they do not degrade and dissolve like toilet paper. Do NOT put grease, noodles, lettuce, bread, eggshells, plants, rice, nonfood items, etc in toilets, sinks, or garbage disposals. A general rule to keep in mind is that if you can feed it to your baby, you can put it down your disposal. Many solid foods, such as vegetables (without peels) or fruits, can also go into the appliance. Chop them up first, so they don't strain the unit. Throw some ice cubes in along with your food waste and grind them up. They'll help loosen the food residue that is stuck to the blades. Keep a bag of orange, lemon or other citrus peels in the freezer and toss some in when you need to freshen up your garbage disposal. Make sure to cut them up in bite sized pieces so not overwork the machine. Please use a lint trap on the washer hose that goes into the laundry tub from the washer. After rinsing off things such as paint brushes in the laundry tub, be sure to run cold water through the line for 10 minutes to wash waste through to the line that connects to the city sewers. In the event the backup is attributed to misuse of Cooperative property by a member, said member would be responsible for the cost of the repair.

## SUBLETTING/ILLEGAL OCCUPANTS

**We have seen an increase in members that appear to be subletting their units and/or have persons living in their units without taking the necessary steps to certify that person as an occupant. Both are violations of policy and grounds for immediate legal action. Please review the policies below and ensure you are in compliance.**

### 6.25 Changes in Family or Household Composition:

After the Members initial occupancy any changes in family composition must be reported to the Cooperative office immediately. Any adult over 18 that wishes to be a resident must pay a fee to be determined by the Board of Directors for a criminal background check. Failure to meet the criteria as stated in the Member Selection plan is grounds for denial of occupancy. Failure to notify the cooperative of any such changes in a timely manner constitutes a material breach of the Occupancy Agreement... Any individual guest who stays continuously for a period exceeding two (2) weeks or any guest that spends three (3) or more nights on a continual basis is considered an unauthorized occupant and constitutes a material breach of this Occupancy Agreement.

### 6.26 Premises to be used for Residential Purposes Only

The member shall occupy the dwelling unit covered by this agreement as a private residence for himself and other occupants as hereby listed in your Occupancy Agreement, and for no other persons or purpose, and may enjoy the use in common with other members of the Corporation of all community property and facilities of the entire cooperative community so long as he continues to own a membership certificate of the Corporation, occupies his dwelling unit as his primary residence, and abides by the terms of this agreement. Absence of the member and/or the authorized occupants exceeding 60 days is a presumption to the Cooperative that the townhome is no longer your primary residence: and the member shall be in default of this agreement. Subletting, including Air BNB and other short-term rental services, is strictly forbidden.

## Spring Housekeeping Reminders!!!

- ◇ Please clean off your central air condenser units. Simply use a **low pressure setting** on your water hose to remove debris from around the unit. Failing to do so may result in expensive, irreparable damages.
- ◇ It is the members' responsibility to change their furnace filter. We suggest checking your filter on a monthly basis and replacing it when needed (when the filter is dirty enough to block the flow of air from the furnace) to avoid damage to the furnace and central air unit. Filters are available in the office at no charge.
- ◇ Make an extra effort to ensure your storm door is completely closed after entering/exiting to avoid expensive repairs or replacement. We suggest locking the back storm door as it is used less frequently.
- ◇ Bicycles and other toys must be stored in the back yards or indoors when not in use.
- ◇ Snow shovels are no longer needed (let us hope) and therefore should be stored inside the unit.
- ◇ Please be reminded that trees located on Cooperative grounds are the property of Branford and damages resulting from climbing or other improper activities is prohibited and will be the financial responsibility of the member.
- ◇ Memorial Day through Labor Day playgrounds will remain open until 9pm. Please review the playground policies and share those policies with all household members. We ask that you also remind all family members to respect the property of others, especially those members that reside near the designated playground areas. Damages to personal property may be grounds for reimbursement, fines and legal action.
- ◇ Cigarette butts should be placed in a suitable outdoor container and not left lying on the ground.

With the weather warming up (hooray!) we are sure to see an increase of children playing outside, riding bikes, skating, etc. Our goal is to keep Branford safe for all of our members, and want to remind everyone that the speed limit is 15 mph within the Cooperative. The Taylor Police Department has been given permission to issue tickets on the property. Members found violating the speed limit will be issued a \$100 fine. Please understand that this reminder is in no way excusing lack of parental supervision, so parents, please be vigilant and keep a close eye on your little ones! Help us maintain Branford as a safe, desirable, and beautiful community.

Ensuring your assets are protected and easily transferable is crucial. By having an up-to-date Transfer of Death form, you can simplify the process for your loved ones in the event of your passing. Please take a moment to review your records and ensure your Transfer of Death form is current. Our office is here to assist with any questions or support you may need. The form is available on our website: [liveatbranford.com](http://liveatbranford.com) or available for pick up in office.

◇ Pet owners: Kindly ensure that your annual city animal licenses have been submitted to the office. We have received complaints regarding owners not cleaning up after their pets and leaving their dogs outside attached to a tether. Please be courteous of your neighbors and pick up any waste from your pet. Also as a reminder that all pets must be on a leash (under the owners control) no longer than 10 feet at all times. Leashes/Chains can not be attached to anything inside or outside including trees, shrubs, meter boxes, or utility poles. Failure to comply will result in the following:

- ◇ 1st Offense: \$50 fine
- ◇ 2nd Offense: \$100 fine
- ◇ 3rd Offense: \$100 fine + Possible Eviction/Revocation of Pet Permit

We have recently received complaints regarding trash disposal issues within the community. Some residents have reported difficulty properly disposing of their garbage due to dumpsters becoming full. Please remember that large items must not be placed in the small dumpsters. All large items should be disposed of in the 30-yard dumpster located on Baker St. Additionally, when placing trash in the dumpsters, please ensure bags are placed toward the back whenever possible to help maximize space for other residents. Thank you for your cooperation in keeping our community clean and accessible for everyone.
