FAQ'S

Terms & Conditions

- We require payment at the time of booking to secure your order. Payment must be made directly into our bank account
- Dietary requirements must be given to us a minimum 2 days before the date
- We do not offer refunds once a booking has been made.

Allergies & Intolerances

It is possible for us to create boxes catering to a variety of intolerance's or allergies.

We take great care to ensure no foods are cross contaminated with products containing nuts, meat, lactose, gluten and seafood.

Unfortunately, there is no guarantee that guests haven't cross contaminated once they begin grazing.

Customers must understand that platters and grazing products are prepared in the same premises which repackage nut, gluten, lactose and seafood products. If there is still something you specifically do not wish in the box, please make sure you let us know.

If you have guests who have allergies or intolerances, it is important to let them know that we cannot guarantee an allergen free environment, however we are very happy to speak with guests regarding our products and services.

Payment:

Please make payment to the below details and email receipt of payment to – info@tableandgraze.com.au
