Ohio State Representative Jim Buchy, a former horse owner and a longtime friend of harness racing at the track and in state government, is also a Little Brown Jug Wall of Fame Honoree. Buchy served in the Ohio House from 1983 until he was term-limited in 2000. He was re-appointed to the Ohio House in 2011 to represent the 84th District, which encompasses Mercer County, as well as portions of Auglaize, Darke and Shelby counties. Following his first stint in the House, Buchy served as Assistant Director of the Ohio Department of Agriculture.

Buchy, a native of Greenville, Ohio, has supported the sport on several occasions including full card simulcasting legislation in the 1980s and was a tireless supporter of the efforts to bring the Video Lottery Terminals (VLTs) to Ohio's racetracks. A portion of the VLT and casino proceeds are used to increase purses, improve facilities and promote racing at the Ohio county fairs and commercial tracks. "Harness racing doesn't have a better friend than Jim Buchy," noted Robert Schmitz, past chairman of the Ohio State Racing Commission. "He has helped establish the Gene Riegler Memorial Pace, rejuvenated the Parshall Futurity and continues to look for ways to get young Ohioans into the sport.

Welcome Jim Buchy to the races with us and applaud him heartily as he presents the trophy in the innagural Jim Buchy Trot for the Parshall Memorial Stakes.
