Grant E. "Gene" Riegler

(June 3, 1928 – October 17, 2011)

A native of Greenville, Ohio and Harness Racing Hall of Fame Immortal - Gene Riegler had all but given up the driving duties in his busy stable, leaving those responsibilities to his sons. However, in 1991 the opportunity to drive his top three-year-old colt Artsplace at Scioto Downs resulted in the fastest mile in the history of the track - a 1:52.2 timing, also the fastest in Riegler's career; a career as a trainer-driver that extended nearly five decades.

A highly respected "colt man," Riegler patiently worked with green two-year-olds and sent many of them to the track primed to become champions. Some of the top horses he handled include Arnie Almahurst, Artsplace, Excited, Jay Time, Leah Almahurst, Life Sign, Op'Art, Three Diamonds, Troublemaker and Tucson Hanover. Riegler's major stakes wins included multiple victories in the Breeders Crown in 1984, 1987 and 1990 in the Adios, the Countess Adios, Kentucky Futurity, the Messenger, the Jugette and the Little Brown Jug.

Gene Riegler was inducted into the Living Hall of Fame in 1992 and the Immortal Hall of Fame in 2004. He died on October 17, 2011 at his Greenville, Ohio home.

Fun Fact: On August 26, 1948 Gene Riegler trained and drove Sis Astra to victory at the Great Darke County Fair. Sis Astra was the daughter of the great Peter Astra driven by Doc Parshall to victory in the Hambletonian.

DECLARE BY 10:00 AM MONDAY AUGUST 18, 2025
