\$35 Membership

\$20 Associate Membership

Please check the type of membership for which you are applying. Members either currently own horses that will be staked to OCRA fairs or they may intend to purchase a horse that will be staked at OCRA fairs. All owners of any horse staked to OCRA events must be members. Registration at the USTA at time of nomination will be verified. Membership with OHHA is not membership in the OCRA.

Associate members are fans of harness racing who do not own horses staked to OCRA events but still enjoy attending fair racing.

One fair pass will be mailed to all members and associate members in May of each year. The OCRA in turn pays a cash sum to each of its member fairs each year to compensate them for pass entries to the fairs.

All members and associate members are invited to attend the annual Ohio Colt Racing Association awards banquet held in October/November.

Thank you for your interest in harness racing and for becoming a member or associate member of the Ohio Colt Racing Association!
