WHO WE ARE

OLIVE & ARK

A CO-WORKING SPACE WITH ONSITE CHILDCARE
AND ADVANCED PRE-K EDUCATION

At its core, Olive & Ark is more than a space

—it is a ministry.

Built on a foundation of faith, Olive & Ark exists to support families in a way that is both practical and deeply spiritual. We believe that when parents are supported, children flourish—and when Christ is at the center, families are strengthened in ways that reach far beyond the day-to-day.

What truly sets Olive & Ark apart is our commitment to building a strong, intentional community. We strive to create a space where parents can remain present with their children while also being supported in their own well-being. We believe in whole-family wellness—emotionally, physically, and spiritually—and we are passionate about cultivating an environment where both children and parents can thrive.

Olive & Ark is a Christian non-profit ministry rooted in family and Biblical foundations. Our heart is to serve families in a way that keeps Christ at the center, while creating meaningful, lasting impact within our communities.

The advanced Kindergarten prep program is a fit for families looking for an alternative to the traditional classroom with the benefits of a homeschool curriculum in a faith-centered environment. Taught by a certified-teacher in a small-setting, children are expected to experience elevated academics alongside essential life skills based in a Christ-centered foundation.

The childcare space welcomes children 12 weeks-5 years old, Monday-Friday 9:00 AM-2:00 PM. Memberships are provided with the intent that parents will utilize the workspace on-site while children attend the child-space programming.

TAILORED PACKAGES

We understand that every family's needs are different. Customized packages for siblings and/or additional days of the week are available. Reach out to info@oliveandarkspace.com.
