

## \_\_\_\_\_’s Police Reports

Documentation of aggression and injury are important to get you the help you need. Call law enforcement if your child gets aggressive, injures themselves or someone else, runs away, or anything else that is on their crisis plan. Keep a record of all calls here. You can also call your local police station and request a copy of each report, but there is a fee for the report.

<b>Date</b>	<b>Time called</b>	<b>Name(s) of Responding Officer(s) (and Crisis if they responded)</b>	<b>Reason for Call</b>	<b>Result</b>
