1. Owner of the horse must be a current member of NEFHC and in good standing.
2. If the year end award is being judged by the rider (ex Jr Exhibitor, Leadline) then the rider must be a full member or associate member of NEFHC and in good standing.
3. Points will start to accrue when the membership application and dues are received.
4. The Friesian horse must be Dutch Registered. FPS/FHANA
5. To be eligible for year end awards your points must come from a USEF, USDF, ADS (American Driving Society), NEHC (New England Horseman's Council) or other state rated show.
6. If there is a change in ownership during the year, any qualifying points will be retained with the horse provided the new owner has a current membership. A lessee will be considered as the owner of a leased horse for the purposed of year end awards providing a copy of the lease agreement is provided to the NEFHC point secretary with the submission of year end points.
7. To be eligible for the Dressage year end awards, the points must be from a USDF/USEF affiliated show or other stated "rated" show.

8. To be eligible for the NEFHC Horse Of The Year Awards, a horse must have competed in the Model Division, Friesian Pleasure and/or Friesian Driving Divisions, and the Open Pleasure Division. HOY will be awarded to the horse with the most combined points accumulated in these divisions. This award is perpetual; there will be no other member ownership of the award. The NEFHC HOY award is owned by the club. These rules can never be changed so as to retain the integrity of the award.
9. The Trail Division: Riders in this division are not competing against other riders; they are accumulating miles over a period of years and must be a NEFHC member at the time each mile is being accrued. This division is based solely on the honor system and the miles need not be accumulated at a sanctioned event. Achievement awards will be given to each horse/rider combination that accumulates in the following increments: **50 Miles, 100 Miles, 250 Miles, 500 Miles, 750 Miles & 1000 Miles.** Any horse/rider combination that reaches one of these achievement levels during the year will receive their award at the Annual General Meeting or Awards Banquet. If you use a different mount each time on a trail ride then you must keep track of miles per each horse that you ride.
10. Points must be submitted to the point secretary by date provided annually. Point submission forms are available on the website in the Year End Awards tab. Points must be submitted via the NEFHC points form to be counted. Please submit separate forms for each division you are entering to.
11. The point secretary reserves the right to add, delete or combine division awards as results warrant. Champion and Reserve ribbons will be presented in all divisions as entries warrant. The awards committee/point secretary reserves the right to eliminate from competition anyone who knowingly or falsely submits improper results, reduce points if class entered is not from a rated show or class does not qualify for submitted division.
