### How long does it take to review transcripts.

WGU offers two options for official and unofficial transcripts, the Academic and the Record of Achievement (ROAT). When requesting a transcript, you will need to select a transcript type. Note: Official transcripts will not list Excellence Award recognitions except for the Capstone Excellence Awards at this time. Academic Transcript The Academic Transcript is a comprehensive statement of attempted and verified learning designed to illustrate and communicate how the student has met program competencies and corresponding learning outcomes. The transcript reflects the student's permanent academic record, comprised of all courses set into registration, competency units received, certifications/credentials earned, honors/awards received, and degrees conferred. The Academic Transcript is typically required by and for other institutions of higher education. Record of Achievement Transcript (ROAT) The Record of Achievement Transcript is a comprehensive statement of verified learning designed to illustrate and communicate how the student has met program competencies and corresponding learning outcomes.

The Record of Achievement Transcript can be used for employers, licensing bodies, and other interested parties. Comparing Transcripts Types The Academic Transcript includes a statement of attempted and verified learning designed to illustrate and communicate how the student has met program competencies and corresponding learning outcomes. It includes all attempted and completed courses, grades, and credits earned. The Record of Achievement Transcript is a traditional transcript meaning it includes only the achievements or courses passed for each term. If a term does not have a passed course, that term will not show on the Record of Achievement transcript. The transcripts present the GPA statement in reference to the information the transcript provides. The Academic Transcript's key states, "Western Governors University and its state affiliates do not calculate a grade point average (GPA) or class rank." The Record of Achievement Transcript contains the statement in the transcript header, "GPA: This student completed each of the listed courses with a GPA between 3.0 and 4.0 on a 4.0-scale." It is best practice to contact your high school to find out their selected method of delivery.

We have found that many high schools have a relationship with electronic delivery services such as DiplomaSender, Scribbles, and NeedMyTranscript. If your institution does not participate in electronic exchange with one of the companies above, there is a possibility your institution can send the transcript officially via PDF email delivery. You should request that the official copy be sent directly from your institution to: [transcriptinfo@wgu.edu](mailto:transcriptinfo@wgu.edu). You may also have your high school transcripts delivered via physical mail. Official transcripts should be mailed directly to WGU. In the chance that the institution gives you the transcript in a sealed envelope, you may forward that transcript to WGU with the envelope still sealed. Physical transcripts should be sent to the address below: Western Governors University Attn: Transcripts Department 4001 South 700 East, Suite 300 Salt Lake City, UT 84107 Note: Any transcript that comes from a student address and/or is not sealed will be deemed unofficial. General Educational Diploma (GED) Each state has its own process to retrieve GED transcripts.
