

## Wee Bit™ With Bison Bison & Brown Rice Recipe With Pearled Barley

Wee Bit™ is specifically formulated for small breed dogs with naturally higher metabolisms—and big personalities! Each tiny, bite-sized kibble is perfectly balanced with fresh bison for protein and whole grains like brown rice and pearled barley for energy and digestion.

- Small kibble for small breeds
- Fresh bison for protein
- Brown rice & pearled barley to support healthy digestion
- Produced in the USA
