Application for Assistance

Aubrielle's Hope provides assistance for New Hampshire families with funeral, burial and/or cremations for children five years old and younger within 30 days of a loss. These funds are for upfront costs and cannot be used for reimbursements. In order to apply for assistance, the custodial parent of such child must submit this completed form to our Board of Directors for review. If approved, a representative from Aubrielle's Hope will then contact the family directly with our offer of support. The only thing we ask for in response of assistance is a short statement from the family acknowledging our help. Testimonials may be posted on our website and used by Aubrielle's Hope to communicate how we are helping New Hampshire families facing the loss of a baby; fostering continued support for our mission. Anonymity is optional for families preferring to maintain their privacy.
