

## Application for Assistance

Aubrielle's Hope provides financial assistance for New Hampshire families with remembrance items or the funeral, burial and/or cremation for children five years old and younger within 3 months of a loss. These funds are for upfront costs and cannot be used for reimbursements. In order to apply for assistance, this completed form must be submitted to our Board of Directors for review. If approved, a representative from Aubrielle's Hope will then contact the family to inform them of the assistance and will coordinate payment with the company mentioned on this application. The only thing we ask for in response of assistance is a short statement from the family acknowledging our help. Testimonials may be posted on our website and used by Aubrielle's Hope to communicate how we are helping New Hampshire families facing the loss of a baby; fostering continued support for our mission. Anonymity is optional for families preferring to maintain their privacy.
