Guest Policy

Our work is guided entirely by grassroots volunteers. Our chapter advances the mission of the Izaak Walton League – restoring watersheds, reducing air pollution, fighting litter, protecting wildlife habitat and open spaces, and instilling conservation ethics in outdoor recreationists. To reach potential new members we encourage members to bring guests to our facility to enjoy the shooting sports opportunities we have to offer. Facilities are for the use of members, their families and guests. Guests are not expected to be continuous users of the facilities and are encouraged to become members.

Please follow these rules when bringing guests to our facility:

- All members may bring five guests to our facility at a time.
- All guests must complete a liability waiver and return it to the Board of Directors.
- All guests must be accompanied by a member at all times.
- Members have priority to facilities, if your guests are shooting and other members show up be courteous and share the facility. (1 shooting lane per member is a good guideline.)
- Commercial use is prohibited under our Guest Policy. (See Rental Policy)

Remember the primary purpose of bringing guests is to share our facility and grow our membership, be sure to suggest your guests join and support our chapter.
