# ABOUT US

Finest Foods is a specialist supplier for the UK foodservice market; procuring, developing, selling and marketing branded and private label frozen and ambient food products to wholesalers, distributors, restaurant and takeaway franchises in the UK & Ireland.

Our exclusive agreements and long-term relationships with trusted manufacturing partners enable us to curate the perfect range at a competitive price for our customers, never compromising on quality.

Our product portfolio includes several Finest Foods branded products; our manufacturing partners branded products as well as Private Label products.

Additionally, we have a unique ability to provide custom-made sauces, breading and marinades; we specialise in the research and development and full production process to bring fast-food and restaurant chains their own personalised ranges.

Quality is key to achieve continuous customer satisfaction, we are proud to have the backing of the most stringent quality standards, assured by our trusted manufacturing partners including but not limited to BRC, IFS and FSMA.

We are passionate to help our partners across the supply chain grow, no matter their buying power or location.

Our partners grow with us.

We are the missing link in the chain helping you  
**ELEVATE YOUR BUSINESS.**

# FROZEN FRIES

# QUALITY IS KEY

It is vital that our selected partners share our primary objective of customer satisfaction.

Quality is key in order to achieve this and we are proud to have the backing of the most stringent quality standards.

In addition to the HACCP system, BRC, IFS and FSMA self-monitoring certifications are also adopted as part of our frozen fries production.

Our entire team works tirelessly to produce high-quality products.

Through our collective knowledge and passion for what we do, experience & specialism that has been perfected over many years, we ensure an offer of consistently high quality potato products for you.
