# ABOUT US

**Delivering quality, consistency and tailored solutions to foodservice.**

Finest Foods is a specialist supplier to the UK and Ireland foodservice market, sourcing, developing and delivering high-quality frozen and ambient food products to wholesalers, distributors, restaurant groups and takeaway franchises.

Our strength lies in our carefully curated portfolio – combining Finest Foods branded products, leading manufacturer brands and tailored private label solutions.

Every product is selected or developed to deliver consistent quality, reliable performance and strong commercial value in busy foodservice environments.

In addition to our core range, we offer bespoke product development for fast-food and restaurant chains.

With expertise in sauces, breadings and marinades, we manage the full process from concept through to production – creating customised solutions that help brands differentiate and scale.

**Finest  
Foods**

# OUR VISION

## **TO CREATE A FOODSERVICE MARKET WHERE EVERY PARTNER THRIVES.**

Through exclusive manufacturing relationships our vision is to be the essential link in the supply chain - empowering manufacturers, wholesalers and operators to grow together.

By championing the combined voice of independent and mid-sized wholesalers, our vision is to elevate businesses across the industry and help shape the future of foodservice.

# WHY PARTNER WITH US

At Finest Foods, we go beyond supply and here is why.

## Partnerships built on trust.

Our exclusive manufacturing relationships and long-term customer collaborations are rooted in transparency, reliability and mutual success.

## Customer centric solutions

We listen, adapt and build solutions around our customers' needs, whether through custom R&D, bespoke recipes or curated product ranges.

## Expertise in every step.

Our deep category knowledge, manufacturing partnerships and technical R&D capabilities allow us to deliver products, insights, that make a measurable difference.

## Quality without compromise

We uphold the highest standards across every product - branded, private label or customised. From sourcing to manufacturing, quality is the foundation of every decision.

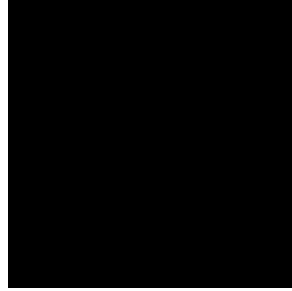

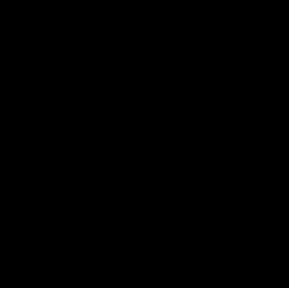

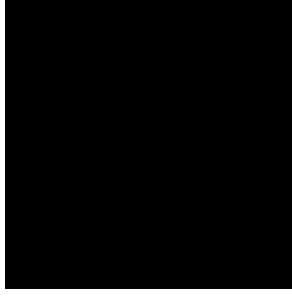

## Innovation that drives value

We continually develop new products within our portfolio, bespoke sauces and tailored solutions that help our customers stand out and stay ahead in a competitive market.

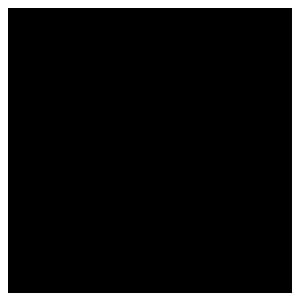

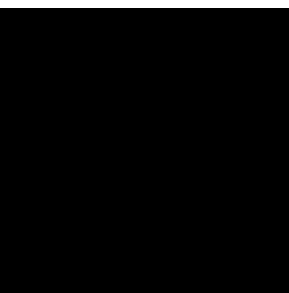

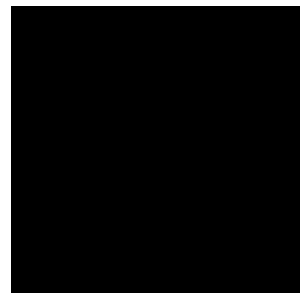

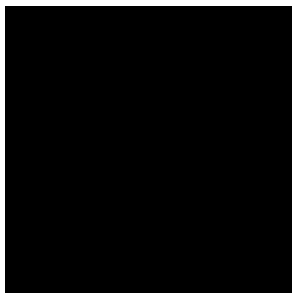

## Consistency you can count on

Reliability in supply, performance and service defines the Finest Foods experience - ensuring our customers deliver great food, every time.

# ABOUT FARMA

FARMA is one of the UK and Ireland's fastest growing fast food brands of fries, trusted by wholesalers and operators across the foodservice sector.

Designed to meet the demands of modern kitchens, FARMA offers a comprehensive range covering every cut and format – from high-performance coated Xtra Crunch fries to premium non-coated options, ensuring the right product for every menu and service style.

With nationwide coverage across the UK and Ireland, the brand continues to support partners with consistent quality, reliable supply, and products built for busy environments.

Alongside its extensive fries range, FARMA also delivers a growing portfolio of appetiser products, helping operators expand menus and drive additional sales – all under one trusted brand.

# FARMA *BITES*

**WE'RE SERIOUS ABOUT SIDES!**

FARMA built its reputation on fries – fast, consistent and trusted by kitchens across the UK.

That same expertise extends beyond fries.

FARMA Bites is a range of bold, flavour-packed appetisers designed for modern menus.

Crispy on the outside, loaded with flavour inside, and built to perform in the busiest kitchens.

Because great meals don't stop at fries.

# *The* *Ultimate* POTATO BUN

Great burgers don't start with the patty — they start with the bun.

Our signature potato bun is crafted for exceptional softness, with a cloud-light centre and a delicate, golden finish that brings a touch of luxury to every build.

Designed to hold fully loaded, sauce-rich burgers without compromise, it delivers the perfect balance of softness and structure from first bite to last.

A simple swap that instantly elevates your menu — because when the bun is better, everything is.

# WHAT EVERY BAO BUN STOCKIST NEEDS TO KNOW

Bleached flour is banned under the **Flour and Bread Regulation 1998** in the UK since 2024

however it can still be found in some

imported bao buns. This presents potential health risks, particularly for vulnerable groups.

That's why supplier choice matters.

Why choose our Bao:

- BRCGS AA+ Grade Certified
- Non Bleached
- Halal Certified
- Suitable for Vegan diets
- Suitable for Vegetarian diets
- UK Manufactured
- Reduced carbon footprint
- High quality control standards

Branco Premium Pizza Flour brings craftsmanship and quality together to elevate every pizza you create.

Made from a carefully selected blend of premium Canadian and home-grown wheat, this expertly milled flour delivers the perfect balance of strength and flexibility.

The result is a dough that's beautifully soft, highly extensible, and rich in exceptional flavour.

Be transported to the heart of Italy, where every bake is a celebration of tradition, texture, and authentic pizza perfection.

Goldmill is the professional's first choice for quality self-raising and plain flour, delivering consistent performance in busy foodservice kitchens.

Expertly milled from the finest wheat, Goldmill provides the strength, softness, and reliability needed for high-volume production. Ideal for crafting authentic naan and chapati breads, it produces doughs that are easy to handle and bake to a light, soft finish with excellent texture.

With Goldmill, chefs can rely on dependable results that meet the demands of both traditional recipes and modern service.
