South Forsyth High School Girls' Lacrosse Program is working hard to raise money to support our teams. We are busy planning fundraisers and looking for businesses in our community who may be willing to sponsor our program. The income generated directly supports the costs of running both the Varsity and JV teams. The SFHS Girls Lacrosse Booster Club provides the funding for uniforms, practice jerseys, coaches, nets, goals, team transportation, field maintenance, and more.

The SFHS Girls Lacrosse Program would love to partner with you as a sponsor. We hope you will take a moment to read about our sponsorship options. If unable to provide a sponsorship, please consider donating merchandise, gift certificates, or other services your business can provide that we can include in an upcoming fundraiser.

Business partners like you, and the donations you supply, will help make our lacrosse season a success. Thank you for considering supporting the SFHS Girls Lacrosse Program!
