

# International Musician Referral List (IMRL)

## List Rules & Guidelines

### I. List Maintenance

1. This list will be reviewed and updated by Miah at the beginning of each month.
2. Musicians with out-of-date contact information for an extended period are subject to removal.
3. All referral recommendations will be vetted before being added to the list.

### II. Conduct & Professionalism

4. All musicians on this list are expected to conduct themselves with professionalism and courtesy at all times.
5. Pay must be transparent and handled promptly — no surprises, no delays.
6. Critical information (set lists, schedules, logistics) must be communicated in a timely fashion.
7. Cancellations must be given with as much advance notice as possible.

### III. Confidentiality & Distribution

8. This list is strictly for direct, personal referrals only.
  - a. Do not share or post this list on any other site, platform, or medium under any circumstances.
  - b. Only share with musicians you personally vouch for.
  - c. Sharing this list irresponsibly puts your own standing on the list at risk.

### IV. Consequences & Discipline

9. Missteps will result in a formal warning on first occurrence.
10. A second occurrence will result in a minimum one-month blacklisting.
11. A third occurrence may result in permanent removal and more severe consequences.
12. Deviations from these guidelines will be taken seriously and noted.

### V. Reporting & Dispute Resolution

13. Please report notable positive experiences or serious issues directly to Miah.
14. Miah and Greg Harrison are the final arbiters of all disputes, additions, deletions, and blacklisting decisions.
