At the top, the company logo "WENGERLAWN NURSERY CO." is displayed on the left, and the phone number "Phone/Fax (513) 784-3943" is on the right. Wengerlawn Nursery is not open to the retail public." To the right of this text is a logo consisting of a green diamond shape with a white 'W' inside, and a green leaf-like shape below it. Below the text is another paragraph: "Wengerlawn Nursery is spread over approximately 20 acres and employs up to 30 people during peak planting and growing seasons. While Jean DeStefano, Vice President, is still very much active in the operations of the business, her children, Cliff DeStefano, President and Louise DeStefano, Corporate Secretary, currently run it on a day-to-day basis." The final paragraph reads: "We hope you enjoy this 'walk' through our greenhouses and discover new plant combinations, plants you didn't know you could grow, and some innovative uses for native plants. This website details on what Wengerlawn Nursery Co. has to offer you. You can also download our current price, useful forms, and see when we are delivering to your area.
