Old Business

- A. Front Entrance: When TxDOT widens RR12, the roads will need maintenance. At that time the Board will discuss what's best for the subdivision: Chip seal, asphalt layover, etc. This will be the time to update the front entrance planter(s) including signage, lighting and watering systems. Before proceeding with changes, the Board will seek consensus from a majority of the property owners. A motion was made and seconded for the treasurer to get a couple bids for upgrading the entrance. All were in favor.
- B. Deed Restrictions. After a brief discussion regarding Deed Restrictions, the Board agreed to meet on February 25, 2025, to discuss ideas for revisions and updates to the Deed Restrictions.
- C. Architectural Control Committee member Bart Hemminger was not present and there were no updates, but the Board will discuss the Construction Guidelines on February 25, 2025, as well

New Business

- A. WHPOA Board Procedures were discussed briefly such as hiring individuals to do miscellaneous things that benefit the entire subdivision.

Following the discussion, a motion was made and seconded to adjourn. All agreed and the meeting was adjourned at 7:42 p.m.
