

COVER CROP AND NON-POULTRY MANURE APPLICATION

To: MACS Office

Re: Fall application of Non-Poultry manure to cover crop acres for 2025/2026 Cover Crop Program

This memo services as my affidavit regarding the planting date of the cover crop enrolled in the 2025/2026 program and the application date of the non-poultry manure.

I, _____, certify that the cover crop was planted by October 10, 2025 and the
(Applicants name)

Application of the non-poultry manure occurred after planting but prior to December 15, 2025.

Cover Crop Species	Planting Date	Farm/Tract Field	Acres	Manure application Date

This information is true and accurate to the best of my knowledge
