### **Come and Paint Your Westie!**

This fun class has limited seats and fills quickly, so don't delay in registering.

**Hand-Sketched of your dog provided:** After you register, you'll email this company a picture of your Westie. When you arrive for class you will find a professional hand-sketch of your dog, so it makes painting your Westie much easier.

**Class Instructor:** Their artists will guide you through all the steps and details needed to leave with a masterpiece of your dog!

**Helpful hints:** Only one animal per canvas. Head and shoulder shot, clear as possible, facing straight-on works best. Just select and send your Westie photo you'll paint via email.

**Cost:** \$57 - \$68 depending on size of canvas you select
