Does your dog enjoy a W-A-L-K? Then join us for our Spring Westie Walk at Marymoor Off-Leash Dog Park in Redmond.

**At the park, head to Parking Lot G. Bring \$1 cash to get a parking voucher at the vending machine. Place the voucher on your dashboard. Proceeds fund King County Parks.**

**Our group will meet inside the dog park on the main path.** We will do a meet and greet together on the pathway, then a group photo on the log benches a short walk into the park. The Park provides dog doo pick-up bags and trash cans along the trails. There are 5 river access points where your dog can drink the water – or bring water if you prefer. For us humans, portable restroom facilities are located along the river trail.

The park has many excellent bark-covered trails that lead past fields and along the river. Expect to see dogs of all kinds. If your dog does not have voice recall skills, bring treats or use a leash.

Use **Google Maps** for directions to **Marymoor Parking Lot G**

**Skye, Brody and I will see you there!**
