# Terms and Conditions

## 1. Health Guarantee

1.1. Buyer understands there is no health guarantee on adult dogs

## 2. Spay/Neuter

2.1. The dog must be spayed/neutered within 30 days from the time of purchase and record must be sent to seller

## 3. Health/Safety

3.1. The dog must be kept up to date on all vaccinations and de-wormings for the entirety of his/her life. Although, we recommend a periodic titer test to see if the dog actually needs to be re-vaccination.

3.2. The dog must be kept at a healthy weight via providing the proper amount of exercise and dietary changes if necessary.

3.3. The dog must have a fully fenced and adequately sized back yard for exercise and elimination unless buyer agrees to have the dog leashed at all times outside of their home.

## 4. Updates

4.1. We require that the Buyer sends Above Par Kennels updates via e-mail or text, once monthly, providing a status update which includes photos for a full year (12 months). At the end of the 1 year period, the dog must be examined by a licensed veterinarian to assess the overall health of the dog and that health assessment must be sent to us for our personal veterinarian to review

## 5. Rehoming

5.1. If for any reason the Buyer cannot keep the adopted dog listed below, the dog must be returned to Above Par Kennels at the Buyer's expense. If the dog is re-sold or given away without consent of Above Par Kennels-- the Buyer will be required by law to pay the Breeder the full original cost of the dog and a penalty for breaching this contract in the total amount of \$2500. There will be no refund for the adoption fee as we only allow Buyers to adopt our dogs after a thorough screening process to ascertain suitability and under the complete assumption that the Buyer has been honest and will provide one of our dogs a credible forever home that will not neglect or abuse the dog in any way. Owning a dog is a privilege and all animals deserve to be loved and respected.

5.2. Above Par Kennels also reserves the right to remove a dog from an adoptive home if we or a qualified veterinarian feels that the dog is being neglected and/or abused. This includes but is not limited to extreme underfeeding/over-feeding, failure to provide proper veterinary care, not providing adequate exercise, or if there is abuse of any kind.
