“‘Free Palestine’ means an immediate end to the dispossession, occupation and oppression of Palestinians. I’ve been tagging #Free Palestine on my belongings for years as a form of protest that I will not look the other way nor will I allow the existence of Palestine to be erased. ”

“My *khalo (uncle)* Mohamed has for years described me as ‘a one-person demonstration advocating 24/7 and 365 days a year’. From as young as I can remember, I have been an advocate for our beloved Palestine, and I will continue to do so until Palestine is truly free.”
