Celebrating 50 Years of Service to Casper's Seniors

Established in 1975 and incorporated as a 501(c)(3) in 1976, Central Wyoming Senior Services is proud to celebrate 50 years of serving our community. What began in a church basement has grown into a vital resource for seniors throughout Natrona County.

In the early days, the focus was simple but powerful: serving nutritious meals and offering activities that brought seniors together. Along with the main center, four sites were established: Midwest, North Casper, Mills, and Evansville, ensuring seniors across the county had access to meals and social connection. As the needs of our aging population have changed, so has Central Wyoming Senior Services.

Over the years, we have expanded to include programs such as Wyoming Home Services (WyHS) and the National Family Caregiver Support Program, allowing us to support seniors not only at the Center, but also in their homes and within their families.

While much has evolved over the past five decades, our mission has remained the same; helping seniors live healthier, more independent, and more connected lives. We are honored to have served generations of seniors and look forward to continuing this important work for many years to come.

From the Desk of the Director:

A Busy Start to 2026!

January may be behind us, but it was anything but quiet at Central Wyoming Senior Services. The new year kicked off with lots of planning, energy, and excitement as we began organizing several fun and meaningful events for our members and the community.

We're looking forward to bringing back favorites like the Sock Hop and Pancake Breakfast, both of which promise good food, great music, and even better company. These events are about more than fun, they help keep our Center active, connected, and welcoming for seniors throughout Natrona County.

January also marked the start of our fundraising season, an important time that helps ensure we can continue offering vital programs and services. Our 6th Annual A Night at the Races is already in the works and will take place April 18th. This signature event supports all of our programs and helps us continue serving seniors where they are—at home and in the community.

And this year is especially exciting because the Senior Center turns 50! We are planning a special community celebration to honor five decades of service, friendships, meals, activities, and support. More details will be coming soon, and we can't wait to celebrate this milestone with all of you.

Thank you for being part of our journey. 2026 is shaping up to be a year full of connection, celebration, and continued commitment to our seniors.
