Band Saw Blades from
Machinery Midwest

WIKUS
PRIMAR M42

Get More Performance from Every Cut

WIKUS band saw blades deliver longer life, faster cuts, and lower costs for metal fabrication shops.

WHY CHOOSE WIKUS?

-  **Longer Blade Life**
More parts per blade.
-  **Faster Cutting Speeds**
Increase production and throughput.
-  **Straighter, Cleaner Cuts**
Better accuracy and less rework.
-  **Reduced Downtime**
Fewer blade changes, more uptime.
-  **Lower Cost Per Cut**
Better performance means higher profit.
-  **Premium German Engineering**
Quality you can trust.

WHY BUY FROM MACHINERY MIDWEST?

- ✓ **Expert Blade Recommendations**
We match the right blade to your material, machine, and application.
- ✓ **Local Sales & Technical Support**
Real people who understand metal fabrication.
- ✓ **Competitive Pricing**
Premium performance at the best value.
- ✓ **Fast, Dependable Service**
Get what you need—when you need it.
- ✓ **Solutions for All Major Band Saw Brands**
We support the equipment you already run.

FREE BLADE PERFORMANCE REVIEW

Experiencing short blade life, slow cutting, crooked cuts or high blade costs?

We'll evaluate your current setup and recommend solutions to improve performance and reduce costs.
