The plan must show the location for all minimum required parking spaces in conformance with all applicable setback requirements. The city may require installation of the additional parking spaces whenever the need arises.

The Zoning Administrator is authorized to reject in writing any incomplete application within 15 business days of receipt if the application is incomplete, stating the reasons for its rejection, including what information is missing. This rejection shall be sent by first-class mail to the applicant. Every application shall contain the legal description of the property and a statement of the specific permit or action being sought.

PERMITS AND REQUIREMENTS FOR FENCES, WALLS OR HEDGES**§ 151.45 APPLICATION.**

The requirements of this subchapter shall apply to all new or replacement fences, walls, or shrubbery erected or installed from and after the effective date of this subchapter, but shall not apply to the mere repair of existing fences.

(B) As authorized by M.S. § 462.353, as it may be amended from time to time, if a dispute arises over a specific fee imposed by the city, the amount of the fee must be deposited and held in escrow, and the person aggrieved by the fee may appeal to district court, as provided by M.S. § 462.361, as it may be amended from time to time. The application shall proceed as if the fee had been paid, pending a decision of the court.

§ 151.51 PUBLIC NOTICE AND HEARINGS.

As required by M.S. § 462.357 and M.S. § 462.3595 a public hearing shall be held by the City Council or the Planning Commission, if a Planning Commission exists in the city, before any conditional use permit, variance, or zoning amendment may be granted. A notice of the time, place and purpose of the hearing shall be published in the official newspaper of the city at least ten days prior to the day of the hearing. In the case of an amendment to the zoning code which involves changes in district boundaries affecting an area of five acres or less, and in the case of an application for a conditional use permit or a variance, a similar notice shall be mailed at least ten days before the day of the hearing to each owner of affected property and property situated wholly or partly within 350 feet of the property to which the zoning code amendment, conditional use or variance relates. The applicant shall provide a list of the owners of affected property and property situated wholly or partly within 350 feet of the property to which the hearing relates. The Clerk or other person appointed by the City Council to administer this chapter may use any appropriate records to determine the names and addresses of owners. A copy of the notice and a list of the owners and addresses to which the notice was sent shall be attested to by the Clerk or other person appointed by the City Council to administer this chapter and shall be made a part of the records of the proceedings. The failure to give mailed notice to individual property owners, or defects in the notice shall not invalidate the proceedings, provided a bona fide attempt to comply with the mailed notice requirements has been made.

§ 151.52 FINAL ACTIONS.

As required by M.S. § 15.99 as it may be amended from time to time, commonly called the 60-day rule, all approvals and denials of applications for a zoning amendment, site plan, conditional use permit, land use permit, variance or any other application which requires a city approval under this chapter must be made within the timeline and following the process of M.S. § 15.99. Failure to follow the requirements of the statute may result in automatic approval of applications.

§ 151.53 NOTICE OF DECISION.

As required by M.S. § 15.99, as it may be amended from time to time, commonly called the 60-day rule, notice of approvals and denials of applications for a zoning amendment, site plan, conditional use permit, land use permit, variance or any other application which requires a city approval under this chapter must be provided within the timeline and following the process of M.S. § 15.99. Failure to follow the requirements of the statute may result in automatic approval of applications.

§ 151.54 LAND USE PERMIT REQUIRED.

No structure or fence subject to § 151.46 shall be constructed until a land use permit has been obtained from the City Clerk or other person appointed by the City Council to administer this chapter. The application shall contain a plan showing the location on the structure or fence on the property that demonstrates that all requirements of this code will be met. The application shall also contain the plans for the structure to be built that demonstrates that the structure will meet all of the standards established by this zoning code. If an application requires a zoning amendment, conditional use permit or variance, no land use permit shall be issued by the Clerk or other person appointed by the City Council to administer this chapter until any application for a zoning amendment, conditional use permit or variance has been acted upon by the City Council. A decision by the Clerk or other person appointed by the City Council to administer this chapter not to issue a land use permit may be appealed to the Board of Appeals and Adjustments as provided for in § 151.60. No residential contractor who is required to be licensed by the state, and no person employing a residential contractor who is required to be licensed, shall be issued a land use permit unless that contractor is licensed. Any person applying for a permit who is required to have a state license, but who does not have a state license, shall be reported to the State Commissioner of Commerce.

§ 151.55 CONDITIONAL USE PERMITS.

Pursuant to M.S. § 462.3595, as it may be amended from time to time, conditional uses may be approved by the City Council by a showing by the applicant that the standards and criteria stated in this zoning code, and any conditions imposed by the City Council, will be satisfied. A public hearing on the granting of a conditional use permit shall be held in the manner provided in § 151.51. A conditional use permit shall remain in effect as long as the conditions agreed upon are observed, but the Council may enact or amend the zoning code to change the status of conditional uses. A conditional use permit shall not become effective until a certified copy is filed by the applicant with the County Recorder, which shall include the legal description of the property included.

§ 151.56 BOARD OF APPEALS AND ADJUSTMENTS.

The City Council shall be the Board of Appeals and Adjustments for this city, and have the powers granted under M.S. §§ 462.357, Subd. 6 and 462.359, Subd. 4, as they may be amended from time to time.

§ 151.57 VARIANCES.

Pursuant to M.S. § 462.357, Subd. 6, as it may be amended from time to time, the City Council, acting as a Board of Appeals and Adjustments, may issue variances from the provisions of this zoning code. A variance is a modification or variation of the provisions of this zoning code as applied to a specific piece of property. A variance from the literal provisions of this zoning code may be granted by the Board of Appeals and Adjustments only when the variance is in harmony with the general purposes and intent of the zoning code and the variance is consistent with the comprehensive plan, if the city has adopted one. A variance may be granted when the applicant for the variance establishes that there are **PRACTICAL DIFFICULTIES** in complying with the zoning ordinance. **PRACTICAL DIFFICULTIES** as used in connection with granting a variance, means the property owner proposes to use the property in a reasonable manner not permitted by the zoning code; the plight of the landowner is due to circumstances unique to the property not created by the landowner; and the variance, if granted, will not alter the essential character of the locality. Economic considerations alone do not constitute practical difficulties. Practical difficulties include, but are not limited to, inadequate access to direct sunlight for solar energy systems.

Variances shall be granted for earth sheltered construction as defined in M.S. § 216C.06, Subd. 14, as it may be amended from time to time, when in harmony with this zoning code. The Board of Appeals and Adjustments may not permit as a variance any use that is not allowed under this zoning code for property in the zone where the affected person's land is located. The Board of Appeals and Adjustments may permit as a variance the temporary use of a one-family dwelling as a two-family dwelling. The Board of Appeals and Adjustments may impose conditions in the granting of variances to ensure compliance and to protect adjacent properties. A condition must be directly related to and must bear rough proportionality to the impact created by the variance. The variance shall not become effective until a certified copy is filed by the applicant with the County Recorder, which shall include the legal description of the property included.

§ 151.58 NONCONFORMING USES.

(A) As required by M.S. § 462.357, as it may be amended from time to time, any nonconformity, including the lawful use or occupation of land or premises existing at the time of the adoption of these zoning regulations, may be continued, including through repair, replacement, restoration, maintenance

or improvement, but not including expansion, unless the nonconformity or occupancy is discontinued for a period of more than one year, or any nonconforming use is destroyed by fire or other peril to the extent of greater than 50% of its market value, and no building permit has been applied for within 180 days of when the property is damaged. In this case, the City Council may impose reasonable conditions upon a building permit in order to mitigate any newly created impact on adjacent property. A subsequent use or occupancy of the land or premises shall be a conforming use or occupancy.

(B) Notwithstanding division (A), the city may regulate the repair, replacement, maintenance, improvement, or expansion of nonconforming uses and structures in floodplain areas to the extent necessary to maintain eligibility in the National Flood Insurance Program and not increase flood damage potential or increase the degree of obstruction of flood flows in the floodway.

(C) Nonconforming shoreland lots of record are subject to the provisions of M.S. § 462.357, as it may be amended from time to time.

§ 151.59 AMENDMENTS.

(A) The clerk, or other person appointed by the City Council, may inspect any property that is the subject of any application under this chapter, with either the permission of the owner, resident or other person in control of the property, or after first obtaining an administrative search warrant as provided for under § 10.20.

(B) An amendment to this zoning code may be initiated by the City Council or by petition of affected property owners. The requirements for public notice and hearing contained in § 151.51 shall be followed. The zoning code may be amended by a majority vote of all of the members of the City Council. The adoption of an amendment which changes all or part of the existing classification of a zoning district from residential to either commercial or industrial requires a two-thirds majority vote of all members of the City Council.

§ 151.60 APPEALS.

Appeals to the City Council acting as the Board of Appeals and Adjustments may be taken by any affected person where it is alleged that there is an error in any order, requirement, decision, or determination made by an administrative officer of the city in the enforcement of the zoning code. No mailed or published notice of the hearing on the appeal is required, but a public hearing shall be held on each appeal.

§ 151.61 RECORD OF DECISIONS.

The Council may provide that a record be made of its proceedings concerning its actions on any application for a permit, zoning ordinance amendment, or appeal. This record may include the minutes of the meeting, the findings of the Council and the action taken.

§ 151.62 PLANNING COMMISSION.

The provisions of Minnesota Basic Code of Ordinances §§ 31.45 to 31.48 are inoperable until the Council appoints a Planning Commission. Nothing in those provisions requires the Council to appoint a Planning Commission.

§ 151.63 FEES.

As provided by M.S. § 462.353, Subd. 4, as it may be amended from time to time, fees may be established as follows:

(A) The Council may in a separate ordinance, or in the Ordinance Establishing Fees and Charges, prescribe fees sufficient to defray the costs incurred in reviewing, investigating, and administering applications for an amendment to the provisions of this chapter and to all official maps, and applications for a permit, a variance or for some other approval required under this chapter.

(B) These fees must be fair, reasonable and proportionate to the actual cost of the service for which the fee is imposed. The city shall adopt management and accounting procedures to ensure that fees are maintained and used only for the purpose for which they are collected.

(C) If a dispute arises over a specific fee imposed by a city, the amount of the fee must be deposited and held in escrow, and the person aggrieved by the fee may appeal to district court as provided by M.S. § 462.361, as it may be amended from time to time. The application shall proceed as if the fee had been paid, pending a decision by the court.

§ 151.64 CERTIFICATION OF TAXES PAID.

Prior to approving an application for any city land use permit, the applicant shall provide certification to the city that there are no delinquent property taxes, special assessments, unpaid utility charges certified for payment as taxes, interest, or city utility fees due upon the parcel of land to which the land use permit relates.

§ 151.99 ENFORCEMENT.

(A) The City Council may direct the Clerk or other person appointed by the City Council to administer this chapter to send a notice of any violation. When so directed, a notice of a violation shall be mailed by the Clerk or other person appointed by the City Council to administer this chapter to any person who, in the opinion of the Clerk or other person appointed by the City Council to administer this chapter, is in violation of the provisions of the zoning code. The notice shall state the nature of the violation and the penalty for the violation. A person who is issued a notice of violation may appeal the issuance to the City Council under the provisions of § 151.60.

(B) If the person to whom the notice of violation is directed fails to comply with the applicable provisions of the zoning code, that person is guilty of a misdemeanor and shall be punished as provided by § 10.99.

(C) Each day the violation continues is a separate offense.

(D) The city may also enforce any provision of this zoning code by mandamus, injunction, or any other appropriate remedy in any court of competent jurisdiction.

(E) A person who knowingly makes or submits a false statement or document in connection with an application or procedure required by this section is guilty of a misdemeanor and shall be punished as provided by § 10.99.

(F) A person who violates, fails to comply with or assists, directs or permits the violation of a performance standards required by § 151.30 must reimburse the city or its agent for the actual costs of the tests, measurements or other procedures necessary to demonstrate that violation.

(G) A violation of this chapter or a condition imposed under this chapter is a public nuisance. The public nuisance may be abated in accordance with Chapter 92.

(H) No section or part of this chapter designating the duties of an official, employee or appointee of the city may be construed to make that official, employee or appointee liable for the penalty provided by the city ordinances for violation of this chapter.
