

frequently asked questions

What is TrueScience Body Care System?

It's a trio of clean Nrf2 body care products that go far beyond the basics. They have plant-powered formulas to cleanse, replenish, and rejuvenate your skin's natural glow.

What products are included in this system?

The system includes TrueScience Body Wash, Body Lotion, and Deodorant.

What makes our Body Care System unique?

The TrueScience Body Care system is formulated with our proprietary Nrf2 actives, plus clean, plant-based ingredients to elevate your everyday routine. Together, they make you feel good. From head to soul.

Is there fragrance in these products?

Each product in the system features a unique blend of yuzu blossom, a citrus fruit that looks like a small grapefruit that comes from East Asia. Every fragrance is specially formulated from clean, natural, and/or synthetic ingredients that have no documented negative health impacts. The citrus blends help you relax and recharge.

Are these clean products?

Yes! Each of the TrueScience Body Care products are specially formulated with clean, plant-powered ingredients, free from any added parabens, silicones, phthalates, artificial colors, and sulfates SLS and SLES (sodium lauryl sulfate and sodium lauryl ether sulfate).

Can I use this product if I have a skin condition or sensitive skin?

If you have a skin condition, please consult your healthcare provider if you have concerns about using new skin-care products. If you have sensitive skin, we recommend testing a small amount on your wrist of inner forearm before regular use.

Can I use these products every day?

Yes, you can use them anytime! These products were designed to elevate your everyday. In fact, we think you'll want to use them more than once a day.

Do you test the products on animals?

No, LifeVantage does not test on animals.

How do I use this system?

Body Wash: Apply to damp skin, lather, and rinse.

Body Lotion: Smooth onto your body until fully absorbed. You can apply as needed onto damp or dry skin.

Deodorant: Apply to clean, dry skin.

Where are these products manufactured?

TrueScience manufacturing facilities are in the US.

Can I recycle the packaging?

We highly encourage everyone to recycle. The Body Lotion, Body Wash, and Deodorant bottles are recyclable. However, the pumps are not. If you have any questions about recycling in your area, please consult with your local recycling authority.

What is the shelf life of these products?

One year from the manufacturing date. Each product has an expiration date on the packaging.

Do the products lose their potency and effectiveness after their expiration date?

We can't guarantee the quality of products after the expiration date, so we recommend using them before they expire.

Do these products have an SPF rating?

No. None of the products in the TrueScience Body Care system contain ingredients that have an SPF rating.

Where can I find a list of ingredients?

Each product has a list of the ingredients on the packaging. You can also find them online at LifeVantage.com.

How should I store the products?

We recommend storing these products at room temperature and avoiding direct sunlight or extreme temperatures for prolonged periods of time.

Do these products contain CBD?

The Deodorant contains 30 mg of broad-spectrum CBD. The Body Lotion and Body Wash do not contain CBD.

Is there any THC in the products that contain CBD?

The broad-spectrum CBD oil that we use goes through a proprietary refining process and is then sent to a third-party lab for testing to ensure 0.0% THC in all of our products. You can find the third-party testing certification online at LifeVantage.com.

Where does LifeVantage source the CBD?

All our CBD oil is sourced in the US. You can see where each batch is sourced! Just scan the QR code on the product page on our website, LifeVantage.com.

Will I feel 'high' if I use these products?

No. THC is the compound found in marijuana or hemp that makes you feel "high." We remove it through a proprietary process that still maintains the quality and potency of the CBD oil.

Are these products legal?

Pursuant to the 2018 Farm Bill, cannabis plants and derivatives that contain no more than 0.3% THC are not considered a controlled substance under US federal law. LifeVantage has ensured that any of our topical products that contain CBD have 0.0% THC.

Are these products safe for children?

We recommend our products to people 18 and older.

Can I use this product if I am in the military?

As of now, branches of the US military have a ban on all CBD products, including topicals. Even though LifeVantage ensures 0.0% THC in its topical products, if you are in any branch of the US military, we recommend that you do not use any of our products that contain CBD.
