

frequently asked questions

What is TrueScience Body Lotion?

It's a lightweight Nrf2 lotion that quickly absorbs into your skin for nourishing hydration and protection against environmental elements to help prevent the visible signs of aging.

What makes our Body Lotion unique?

TrueScience Body Lotion is formulated with proprietary Nrf2 actives, postbiotics, and plant botanicals to fight the visible signs of aging caused by oxidative stress. Together, they make you feel good. From head to soul.

Is there fragrance in this product?

Yes. It has the signature TrueScience yuzu blossom scent. Yuzu looks like a small grapefruit. It comes from East Asia. This fragrance blend is specially formulated from clean, natural, and synthetic ingredients that have no documented negative health impacts.

Is this a clean product?

Yes! It's specially formulated with clean, plant-powered ingredients, free from any added parabens, silicones, phthalates, artificial colors, and sulfates SLS and SLES (sodium lauryl sulfate and sodium lauryl ether sulfate).

Can I use this product if I have a skin condition or sensitive skin?

If you have a skin condition, please consult your healthcare provider if you have concerns about using a new skin-care product. If you have sensitive skin, we recommend testing a small amount on your wrist or inner forearm before regular use.

Can I use this product every day?

Yes, TrueScience Body Lotion is designed for daily use. In fact, you can even use it more than once a day.

Do you test the product on animals?

No, LifeVantage does not test on animals.

How do I use this product?

Use for all skin types, including dry, sensitive, or flaky. Smooth onto your body until fully absorbed. You can apply as needed onto damp or dry skin.

Where is this product manufactured?

TrueScience manufacturing facilities are in the US.

Can I recycle the packaging?

We highly encourage everyone to recycle. The Body Lotion bottle is recyclable. However, the pump is not. If you have any questions about recycling in your area, please consult with your local recycling authority.

What is the shelf life of this product?

One year from the manufacturing date. Each product has an expiration date on the packaging.

Does the product lose its potency and effectiveness after the expiration date?

We can't guarantee the quality of products after the expiration date, so we recommend using them before they expire.

Does this product have an SPF rating?

No. TrueScience Body Lotion does not contain ingredients that have an SPF rating.

Where can I find a list of ingredients?

Each product has a list of the ingredients on the packaging. You can also find them online at LifeVantage.com.

How should I store the product?

We recommend storing this product at room temperature and avoiding direct sunlight or extreme temperatures for prolonged periods of time.

Is this product safe for children?

We recommend our products to people 18 and older.

Does this product contain CBD?

No, it does not contain CBD.
