CBD-ENHANCED NRF2 INGREDIENTS

EN BODY RUB / ES CREMA PARA MASAJE CORPORAL

product information sheet

Cool. Calm. Care.

Whether it's from a great workout or from sitting at a desk all day, your muscles deserve a break. This body rub is the natural approach to giving your body a tranquility boost.

Applied directly to areas where you need it, CBD-enhanced Nrf2 ingredients plus extracts from alpine skullcap, willow bark, and white lily penetrate the top layer of your skin. They deliver mild, calming, long-lasting effects.

A subtle cooling sensation and refreshing scent instantly helps soothe your hard-working body.

Experience

Soothe your way into bliss with naturally derived ingredients that provide cooling comfort as they hydrate and soften your skin.
