

## *frequently asked questions*

### *What is TrueScience Body Wash?*

A reviving body cleanser that does much more than wash away dirt and impurities. A unique blend of adaptogen ingredients restores resilience to stressed-looking skin, while proprietary Nrf2 ingredients help minimize the visible effects of environmental exposure. You also get a gentle blend of fruit acid exfoliants and naturally derived emollients to replenish your skin's moisture. Your skin feels clean and soft and looks toned and bright!

### *What makes our Body Wash unique?*

TrueScience Body Wash is formulated with exclusive Nrf2 actives, exfoliating fruit acids, and a complex of survivalist plants to protect and fight the visible signs of aging caused by oxidative stress. Lather up in luxury and feel good, from head to soul.

### *Is there fragrance in this product?*

Yes. It has the signature TrueScience yuzu blossom scent. Yuzu looks like a small grapefruit. It comes from East Asia. The fragrance not only smells delicious, it's specially formulated from clean, natural, and synthetic ingredients that have no documented negative health impacts. It's designed to help you relax, recharge, and feel a sense of inner calm.

### *Is this a clean product?*

Yes! It's specially formulated with clean, plant-powered ingredients, free from any added parabens, silicones, phthalates, artificial colors, and sulfates SLS and SLES (sodium lauryl sulfate and sodium lauryl ether sulfate).

### *Can I use this product if I have a skin condition or sensitive skin?*

If you have a skin condition, please consult your healthcare provider if you have concerns about using a new skin-care product. If you have sensitive skin, we recommend testing a small amount on your wrist or inner forearm before regular use.

### *Can I use this product every day?*

Yes, TrueScience Body Wash is designed to be gentle enough for daily use.

### *Do you test the product on animals?*

No, LifeVantage does not test on animals.

### *How do I use this product?*

Formulated for all skin types, even sensitive, irritated, or flaky skin. Apply to damp skin, lather it up, and rinse.

### *Where is this product manufactured?*

TrueScience manufacturing facilities are in the US.

### *Can I recycle the packaging?*

We highly encourage everyone to recycle. The Body Butter tub and lid are recyclable. If you have any questions about recycling in your area, please consult with your local recycling authority.

### *What is the shelf life of these product?*

One year from the manufacturing date. Each product has an expiration date on the packaging.

### *Does the product lose its potency and effectiveness after the expiration date?*

We can't guarantee the quality of products after the expiration date, so we recommend using them before they expire.

### *Does the product have an SPF rating?*

No. TrueScience Body Wash does not contain ingredients that have an SPF rating.

### *Where can I find a list of ingredients?*

Each product has a list of the ingredients on the packaging. You can also find them online at [LifeVantage.com](https://www.lifevantage.com).

### *How should I store the product?*

We recommend storing this product at room temperature and avoiding direct sunlight or extreme temperatures for prolonged periods of time.

*Does this product contain CBD?*

No, it does not contain CBD.

*Is this product safe for children?*

We recommend our products to people 18 and older.
