

SCHOOLS AND GROUPS

OUR OFFER

An affordable way to offer rich, wonderful experiences outdoors.

With more than 20 years teaching in primary schools, Matt is a big advocate of getting children outside and immersed in nature, having adventures, learning new skills and challenging themselves in the great outdoors.

As part of promoting those values, our bell tents are available for hire for schools, education settings and youth groups.

You just need to provide the space to pitch them!

We put them up and take them down

We could set up for you in a school field for a very special class sleep out - an affordable mini residential, combined with your own outdoor activities.

Or hire our tents to enhance the forest school experience or sports day.

Use the tents as a breakout spaces for learning or as part of a school event with parents.

The possibilities are endless.

Our standard package for schools and youth groups is a 5m, bare bell tent allowing flexibility for school use.

Schools can add their own furnishings as long as there is no permanent change to the structure of the bell tent.

Be creative.

Make it a special experience.
