## Jennifer's Blog

**I know** everyone says global warming is a horrible but there is something so right about 50 degrees + in November. Yes, I don't get to enjoy my walks as often due to being in office more, but I do enjoy the 4 days out of 7 of walking outside if I can! I've been watching the weather so I know what night to go out and start the xmas decorating before thanksgiving. It doesn't seem right though talking about Xmas right now.

**Quilting 101 Saturday version is ready for new students!** The next session of Quilting 101 is going to be starting on December 9th! Remember our classes are always small so you get a personalized learning experience. You only need a machine that you can bring to class and how to use it! Check out this pick of Nikki her 101 quilt!

We have two great classes for you in December. The first one is Kathy's Christmas basket. See next page for the writeup of that. Also we are having another basket making class. The first one filled so fast we did not even get to publicize to you. This one will be Xmas themed. See the write up on the next page for that one! We can have approximately 6 people so sign up quick! We have a lot of sit n sew times for you to get time to work on your projects and even Emily is have a yarn time dedicated to you finishing your projects this month! We hope to see you and bring your friends.

Check out everything on the coming pages!

## Upcoming Classes/Events:

**Quilting: Sit N Sews:** Do you have unfinished projects? Do you just need some out of the house time? Do you need some help? You can come to all of them or make it a special occasion outing at the last minute., We have enough room for probably 5 people with sewing machines. So depending on what you are working on we fill up pretty quickly! If you are going to need help, please tell our sales associate so you can register for their time just so they can plan their day. If these dates do not work for you, call and talk to a Sales Associate. If there is no class going on and you want to make your own Sit N Sew! Times are any hours that we are open that day! For this month , we are have 7 times you can come in and Sit and Sew! **Cost: \$5.00** per session.

**When: 1) Thursday, December 7th, 2)Tuesday, December 12th, 3)Wednesday, December 20th, 4)Friday, December 22nd, 5) Wednesday, December 27th, 6)Friday, December 29th, and 7)Saturday, December 30th (12-3pm).**

## Upcoming Classes/Events:

### Sew Seasonal – Flared Top Basket

We are winding down another year of monthly classes. Last year we created many projects using the paper piecing technique. This year we created seasonal bench pillows, potholders, and table toppers which introduced the applique technique. For our final 2023 Sew Seasonal we will be making Flared Top Baskets. The sample is made with our Holiday metallic fabrics. Baskets can be made in the fabrics of your choice to match your own home decor. Use them for gifting those homemade goodies, storage/organizing or just display them on their own. Classes will be Wednesday December 6<sup>th</sup> and 13<sup>th</sup> at 10:30. If you need another day, call the store and we will work with you. The cost is \$15 for the initial project plus supplies. Please call the store to register or stop in to get your pattern in advance and reserve your spot. Thank you to all of our friends that have participated in these sessions, we look forward to creating with you next year.

### Basket Weaving for the Holidays

Since our first basket weaving class was such a success (class was filled before we had a chance to advertise it), we are offering another opportunity. Our guest teacher, Lauren, will provide hands on instruction to create this beautiful basket. The cost is \$50 which includes all supplies. It is a fun night out with friends and fellow crafters. Call or stop into the store to sign up since class size is limited. Starts at 5:30pm!

### Yarn Time!

**This month** we will be having 5 sessions each month of Yarn Time. We will be charging \$5.00 a session whether you are doing the project of the month or just your own stuff. If you come to all you get the final session free! As always our Yarn times are hosted by Emily Klaczak. Spread the word that it's a great time to come in and work on your knitting and crochet and socialize with like mind artists! If you know anyone who wants to learn have them come talk to Emily during one of these times and see what can be set up for lessons! December is dedicated to getting your projects done, coming in for help or to learn how to crochet or knit!

**Yarn Times:** All are from Noon to 3pm unless specified.

**1) Saturday, December 2nd, 2) Tuesday, December 5th, 3) Saturday, December 9th 4) Saturday, December 16th and 5) Tuesday, December 26th.**

*Finally we wish all of you a Happy Thanksgiving! In closing, remember the one with the most stash wins!*  
*Jenn*
