Where has the summer gone? Truthfully and a lot of you will probably get this when I say what is summer? If you are still working and not in the education field, summer just means it's hotter as you commute back and forth. Ok there's no snow so that's a plus but it doesn't mean vacations or being outside more if you spend 40+ hours working. Ooops sorry I luv summer but I hate working as you can probably tell!

Have you seen the new yarn? Or how about the knitting needles we are trying to get in. I am in the process of getting a charity project going for those of you who are our Yarnsters or those of you out there who just want to make things out of yarn! I will say Meow Meow as a hint! Stay tuned to newsletter going forward for all the details. Are you a knitter or crocheter but have never joined in our yarn times? Check it out in the next part of the newsletter!

Quilting 101—The next session will be starting on Saturday, September 13th! If you are on our list for the class please contact the store to sign up! If you know someone who would like to take the 101 have them stop in or call the store. I hope after this session of 101 to maybe do a winter 201. If interested in that class get on the waiting list!

I don't think I really have anything else to say so we will have you turn the page if you are on a paper copy or scroll down if you are reading this virtually! I was going to tell you that we are closed on Labor Day but we are always closed on Mondays so have a great holiday!

Remember the one with the most stash wins! Jenn

Classes/Events:

Charity Project 2025—Dress A Girl Around the World

In 2025 we are continuing our charitable effort with Dress A Girl Around the World (Hope 4 Women International non-profit). This organization provides dresses to girls around the world suffering from poverty, disease, and low self-worth. Staff and Customers make dresses to support this organization. We will supply the instructions and assistance in making these simple dresses to make a girl feel special and loved. They can be worked on at our Open Sews (50% fee waived) or at home. A 10% discount on fabric purchased specifically for these dresses.

Kathy's Korner 2025

We are going to do things a little differently in 2025. Instead of having a specific monthly project, we will have an Open Sew for \$10.00 per session. You can come in and work on a project of your choice or complete an unfinished project. Kathy will be there to help you (to the best of her ability) if needed. Occasionally, there will be a featured project during the month which will be priced accordingly. It is helpful to call in advance so that we know you are coming. Please pay attention to the dates that are listed below and on the calendar. Start your own group of ladies on a certain day that is listed and join the fun! Kathy's Korner Open Sews are replacing/enhancing our sit n sews! Just a small change! If you call and can not get in on the Wednesday please call and make arrangements to come in during our other open times!

Open Sews in August are every Weds with Kathy's Korner and a bunch of bonus days. Check the attached calendar! If you don't see a day or time call and see if there is room for you to come in!

All times are 10:30 to 5 unless noted.

Yarn Time!

This month we will be having 5 sessions of Yarn Time We will be charging \$10.00 a session whether you are doing the project of the month or just your own stuff. As always our Yarn times are hosted by Emily Klaczak. Spread the word that it's a great time to come in and work on your knitting and crochet and socialize with like mind artists! If you know anyone who wants to learn have them come talk to Emily during one of these times and see what can be set up for lessons! All times are from Noon to 3pm unless specified in this section. For specific dates please look at the calendar!
