## Jennifer's Blog

If you smell something burning it's just my chocolate/peanut butter protein cookies. I am trying to make them while I write the newsletter. It's all about the multi tasking on the weekend when I am off. I am determined to find a protein cookie that I like the taste of for my breakfasts. I am really tired of egg bakes every morning. Not that any of you really care that I'm tired of egg bakes. On to store news.

Let's start with Quilting 101. If you are reading this and are on the waiting list you will be receiving an email the week of Memorial Day. If you are interested in taking Quilting 101 please come in or call the store. Saying you want to won't reserve your spot this time. You will have to get on line and pay or come into the store to pay! I have about 10 people who are interested and we have spot for 4. Usually, I get the class filled with yes's but no payment and then end up with one due to scheduling conflicts. So please make the commitment and come pay so that you have a place! You won't regret taking the class and starting one of the best and most enjoyable/fun hobbies there is!

I don't think there is much else to tell you. Please remember that we are trying to support two charities this year! We appreciate all of you who are participating and if not please read below! Please check out the calendar for times of the Kathy Korner's, Open sews, and yarn times, Quilting 101, and a special Chatterbox session.

Good news, one of the two old signs have been removed from the old building. Remember we are 1 mile down closer to the city past the memorial hall!

**Remember the one with the most stash wins! Jenn.**

---

## Open Sew's:

We have three types of Open Sew's. The first are just open sews and you can come in all day from 10am to 5pm and work on whatever you want. All of these are listed on the calendar!

The second type are **Kathy's Korner's**. Most of the time Kathy's Korner's are full so if you would like to join on a Weds please call the store on Tuesday and check with Kathy if there is room!

The Third type is build your own: We have a group called the Chatterboxes that schedule a monthly time to come in. They are a group of 4 women who love to talk and sew. Do you have a group that you want to start your own group let us know and we can see what we can schedule!

Check the attached calendar! If you do not see a day or time call and see if there is room for you to come in!

Don't forget that you can use an Open sew to schedule an on demand time class that we teach. Check with a sales associate if you have something in particular you want to learn how to do!

---

**Yarn Time!** Yarn times are held several times a month on Tuesdays or Saturdays from Noon to 3pm unless otherwise noted. You can find the dates on the attached calendar! All sessions are \$10. You can do the project of the month or your own thing! As always, our Yarn times are hosted by Emily Klaczak. Spread the word that it's a fun time to come in and work on your knitting and crochet and socialize with like mind artists! If you know anyone who wants to learn, have them come talk to Emily during one of these times and see what can be set up for lessons!

### **June Yarn Time — Crochet Water Bottle Holder**

It's important to keep hydrated during the summer, this crochet water bottle holder holds a 16-20 oz. water bottle and can be made smaller or larger. If you remember last month Emily did the Knitted version!

Supplies:

1 skein #4 cotton yarn, such as Sugar and Cream

Size G crochet hook

Removeable stitch marker

Yarn needle

## **2026 Charities:**

## Dress A Girl Around the World

In 2026, we are continuing our charitable effort with Dress A Girl Around the World (Hope 4 Women International non-profit). This organization provides dresses to girls around the world suffering from poverty, disease, and low self-worth. Staff and Customers make dresses to support this organization. We will supply the instructions and assistance in making these simple dresses to make a girl feel special and loved. They can be worked on at our Kathy's Korner, Open Sews or at home. A 10% discount on fabric purchased specifically for these dresses.

**Angel Ridge Animal Sanctuary**—Bailey's Angel ridge is made up of the dog sanctuary (Washington County) and the cat sanctuary called Bailey's (South Park). My baby boy Romeo came from Bailey's and I have been doing volunteer work a couple times a month playing with the other kitties! What are we doing? Well we are crafters! We would love for you to crochet/knit/sew/create items for the animals. For Crochet and Knit we will be making beds and kitty sacks. If you want to sew you can make little cotton beds filled with those excess battings pieces that you have! Don't want to sew? Cut some fleece and make doggy chew toys or kitty catnip bows! Want to just donate? Bring us cash or amazon cards! We have a box at checkout for all donations! I would love if Quilters Depot could possibly fill Bailey's with new beds and toys for every cat that comes through? Can you help! Come into the store to get the patterns and check out everything you can make. If you have a pattern that you like bring it along! Let us know you are buying the yarn for the project and get 10%! If you need the patterns stop in or email. If you need help come to a Yarn Time! This charity means a lot to me! Please consider crocheting or knitting or making some toys. The patterns don't have to be one that we provide. The animals are looking at you with those soft cute eyes asking for beds and toys or even money donations!
