

Siloam Hope First Presbyterian Church

How Many Times Have YOU Driven or Walked Pass . . . ?

42 Broad Street

It is Elizabeth's best-kept secret that is in plain sight. This historic location is the starting place for New Jersey and is the home of . . .

- **First Presbyterian Church** - First Christian congregation of New Jersey
- **Snyder Academy** – Historic school for prestigious, young men, like Alexander Hamilton
- **Old First Cemetery** – Resting place for NJ's founding families and Revolutionary War soldiers.

In 2020, we are giving voices to the unspoken history. Siloam Hope First Presbyterian Church and the Old First Historic Trust (*dba* Snyder Academy) are honoring the lives of the 313 enslaved and free African ancestors buried in the Old First Cemetery. The graves are unmarked currently, and they deserve remembrance. We're raising funds to build a memorial for our ancestors, and we'd appreciate your support.
