SUMMER RISING

Summer Rising 2024 is a partnership between New York City Public Schools and the Department of Youth and Community Development (DYCD). Summer Rising is free and available to all NYC students in grades K-8, pending seat availability.

Students in Summer Rising will have access to both academic and enrichment programming over the course of the day, including field trips, arts activities, and outdoor recreation. Programs will be planned and operated collaboratively by school principals and community-based organizations (CBOs). The environment will be safe and supportive with staff prepared to respond to children's social and emotional needs. Breakfast, lunch, and snack will be served.

More information:

- ✓ **FREE**
- ✓ **Different locations in the City**
- ✓ **For Kindergarten to 5th Grade students**
- ✓ **8am to 6pm**
- ✓ **07/02-08-15**

THE FRESH AIR FUND

Five of our sleepaway camps are located on Sharpe Reservation, a more than 2,000 acre property, in Fishkill, NY. With nature trails, lakes and streams, a model farm and planetarium, Sharpe Reservation is just two hours from New York City. Our sixth camp, Camp Junior in memory of Lesandro "Junior" Guzman-Feliz, is located at Harriman State Park.

With nature as their classroom, campers, ages 8-15, learn to swim, hike wooded trails, and learn about the environment while exploring in the outdoors. Campers return home with more confidence, new talents and new friends. As campers learn new skills, they also learn about themselves.

Youth, 8-15, who live and go to school in NYC, and meet income eligibility requirements can apply for camp. Youth, 16-17, who live and go to school in NYC are eligible to apply for our CIT Program.

WORLD OF DISCOVERY DAY CAMP

At World of Discovery Summer Day Camp of Bayside, Queens, NY summertime is a season for children to expand their horizons, explore new territories, and discover new and exciting things about themselves.

All children enrolled in World of Discovery Day Camp will build new skills, discover new things, make new friends, and realize a newfound confidence.

Through our structured programming, campers are encouraged to participate and excel in those activities that interest them the most. Both group and individual instruction are offered, and children are generally grouped according to age. Positive reinforcement and encouragement are the cornerstones of all World of Discovery Summer Day Camp programming.

SANIDAS TUTORING

Give your kids a great experience this summer!

Our arts & science camp is full of technology and design activities. We follow an innovative and comprehensive approach to education. We focus on divergent thinking through creativity, productivity, and proficiency with technology. Students will explore engaging content through group lessons and team-building exercises. Our summer camp will include theme-based weeks that cover topics in technology, design, engineering, science, and art.

Our students will work alongside our specialized teachers to explore the themes and skills of some of the most important fields in the technology and design job market of the future.

SNAPOLOGY

At Snapology we believe that children are meant to learn through play. When children are engaged in interactive, hands-on learning activities, their creativity flourishes and they show an increased interest in school.

We are looking forward to a summer full of fun STEAM activities! You can confidently book your summer camps knowing that we will be abiding by the state guidelines for all inperson events. To give you further peace of mind, Snapology follows all CDC guidelines for inperson sessions + sanitation of our supplies.

Demand for small format camps is in high and capacity is limited so don't delay. Enroll your child today! If your preferred week of camp is full, please join our waitlist and we will contact you if a space opens up!
