Volume 3, Issue 4 January/February 2020

March 2020

Dear Families and Friends of District 30,

It is hard to believe that we are almost three quarters into the school year and getting ready to welcome in the season of Spring; a time when we begin to see the blooms on trees and flowers begin to blossom. At this point in the year, we need to stop and see how our children and school communities have blossomed. Earlier this school year, I shared with you our District goals and initiatives. It is now time to stop and evaluate the progress we have made and push even further in

District 30 continues to strive to Advance Equity Now while Accelerating Learning and Instruction, Developing People and Partnering with Communities. I would like to highlight some of the progress we have been making in each of these areas.

#### **Advance Equity Now**

Our schools have been working on identifying root causes of student learning gaps from assessments given in September/October and providing targeted interventions to address these areas of need. Schools are using a Multi-Tiered System of Support to address these needs. In January/February schools administered a benchmark assessment that was used to identify students growth, with noted areas of strengths and continued areas of challenge. In addition, throughout the school year, I visit schools to observe the quality of teaching and learning. During these visits, I speak with students, staff, school leaders and parent leaders to obtain their perspectives and insight into the quality of the school environment and academic programs.

#### **Accelerate Learning and Instruction**

This year schools are using the Instructional Leadership Framework that includes knowing students well, strengthening the core instruction in classrooms, and using a shared and inclusive curriculum as we work to strengthen students' mathematical and literacy skills for 21<sup>st</sup> century success, emphasizing the development of students' conceptual understandings. Throughout the year, I visit schools to observe the quality of teaching and learning.

(Continued)

Always remember to ask...

How is this good for ALL children?

## **Developing People**

Our schools have been supporting the development of teachers, paraprofessionals, and school staff with series of professional development sessions. These professional learning sessions directly link to the work mentioned above to advance teachers practices in developing students' critical thinking and conceptual understandings in mathematics and literacy across content areas. Teachers have received and will continue to receive development in culturally responsive practices, intervention programs, development of conceptual thinking and using assessments to diagnose root causes of student learning gaps, including implicit biases. Schools have also provided workshops to families for each of these areas so parents can support their child(ren) in these areas.

## **Partnering with Communities**

Throughout the year, schools across the district have been working with community organizations to ensure that after-school programs, cultural enrichment opportunities, and partnerships with museums, organizations specializing in music, dance and visual arts support school goals and enhance the lives of students. In addition, schools partner with local colleges and universities to provide students with college awareness and tours of school campuses/programs. These partnerships also assist schools by offering professional development workshops and providing opportunities that allow teachers to earn additional teaching certifications in other areas such as Gifted and Talented, Special Education and Teaching English to Students with Other Languages.

In the words of Penelope Trunk, "Spring is a time to find where you are, who you are, and move toward where you are going." The above describes where we are. Who we are is District 30, a district committed to ensuring that all children are provided with the necessary skills, knowledge and tools to prepare students to become successful global citizens. We are focused on moving forward to attain our goals that will increase student proficiency levels and close student learning gaps. When decisions need to be made, it is important to "Always remember to ask...How is this good for ALL children?"

I am proud of the work that is happening throughout District 30 and realize that we must continue to remain focused and Spring forward in helping our students to fully bloom.

Sincerely,

Philip a. Composto, Ed.O.

## GO TEAM 30!

# District 30 is a Move-to-Improve All-Star District!

# Thank You District 30 Principals

Dear Superintendent Philip Composto,

Congratulations, District 30 is a Move-to-Improve All-Star District!

All-Star status for the 2019-20 school year, with more than 85% of teachers trained, and school-wide implementation of the program so that students are active throughout the day, in addition to participating in physical education class. This is a distinction that your district shares with seven other districts in the City. I applaud you, your principals, and your PE teachers and school staff for being champions of active student learning as part of a comprehensive physical education program.

Research shows that physical activity helps students do better in school, and physical education instruction, as a core part of the Supportive Environment Framework, helps students develop the knowledge and skills they need to care for themselves and be healthy throughout their lives. Move-to-Improve provides regular, active learning opportunities, and it also helps schools meet State time and frequency requirements for Physical Education. I encourage you to review your schools' mid-year compliance data for PE and contact the Office of School Wellness Programs for any support that your schools need with programming or professional learning to ensure that all students have quality PE that meets requirements.

To learn more about scheduling Move-to-Improve, watch the video below and review our <u>program scheduling guidance</u>.

Thank you for your leadership and your commitment to student well-being.

Sincerely,

Deputy Chancellor LaShawn Robinson

## MOVING AND GROOVING IN QUEENS

Students in grades 1-4 at CS 111Q have been working with LEAP Teaching Artist Brigid Turner to learn dances that involve both the rhythm and the sound of their bodies. They have also learned an upbeat, African-influenced dance that allows them to move their bodies to the sound of Afrobeats. "This cultural dance gets the students' heart rates up and has them sweating too. They are excited about the Afrobeat dance because they get to release their energy while having fun," said Brigid.

# District 30 Pre-K Centers

At 389, students in Mrs. Smith and Ms. Livingston's class are continuing to create and fix up their locomotion station!

At 78, we are showing our thankful smiles to Dental Smiles 4 Kids who came and taught us all about dental hygiene.

The Students in Ms. Siegel and Ms. Eleftheriadis class at 972 are learning to sew!

At the TCU, students turned their dramatic

Cupid Struck 397! We are celebrating love, happiness and kindness!

Together is better...together as one is how District 30 Pre-K learns through professional learning zoom conference.

P.S. 17Q has been busy practicing and performing through various programs and residencies. Our 4th grade has just completed another year with the Alvin Ailey dance program. Fourth grade students had the opportunity to learn and practice hip hop dance routines over a few months. In January, they performed their final pieces for family and friends!

Our 3rd graders are gearing up for another Disney Kids performance. This year they are learning and practicing the lines, songs and dances for Frozen Kids! Parts have been cast and rehearsals are underway. All our 3rd grade students are involved; some are part of the cast, others are working to create advertisements and a playbill, others still are creating all the costumes, props and scenery to bring our show to life! It will all come together for our community performance June 5!

P.S. 17's 5th graders have started another year of Rosie's Kids theater program. This program allows students to work with a teaching artist to learn songs and dances from various Broadway musicals. We look forward to another amazing performance from them in May.

College Scholarship Month.

Class 1-245 recognized how each event leads to the next and imagined how their choices would lead to college and the kind of life they would have after graduation.

endless possibilities bevond.

P.J. 398

### College Awareness Day

Our first College Awareness Day was during January where students represented their families' colleges or their future college they wished to attend.

#### **Art Parties**

P.S. 398Q held two family art parties! Pre-K Picasso and Kinder Kandinsky were both a great success as families created art while listening to music.

#### **International Day**

Our first International Day celebrated all families and students. Families were engaged in fun festivities as we all celebrated one another's culture.

## I.\$. 230

I.S. 230 Showstoppers performed "The Wizard of OZ" for 5th graders from our local elementary schools – P.S. 69, PS. 152, P.S. 212. We also held evening performances for our school community. Our students were amazing!

The I.S. 230 7th grade student government class representatives lead the way in participating in National No One Eats Alone Day by creating a Tree of Kindness. All 7th grade students created leaves with words of kindness outside of our school cafeteria reminding everyone who sees it to be kind to each other.

## P.J. 122

#### 100th Day of School

On February 14th, P.S. 122 celebrated there 100th day of school. Students and staff were encouraged to dress as though they were 100 years old to celebrate the fact that 100 productive days of learning were complete. There also was a 100th Day of School Parade to celebrate the day.

### Spirit Week

P.S. 122 Celebrated Spirit
Week in January! Each day
was a theme for students to
show school spirit. Examples of
themed days were Color Day,
Culture Day, Decade Day,
Fan Day and Pajama Day.
Students and staff were very
excited to participate all
week long.

## P.J. 69

## Respect and Kindness at PS 69

During Random Acts of Kindness Week and Respect for all Week, students and teachers at PS 69 put the "1" in KIND – literally. Leading by example, Ms. Julie Ferrara, PS 69 Guidance Counselor, teaches our students the importance of kindness and respect every day. Thank you, Ms. Ferrara.

**Respect for All Week at 1.5. 235Q:** Throughout the year, we provide praise, positive reinforcement and encouragement to motivate our newcomer students to do their best. We also provide opportunities for our students to collaborate on 'Show Me the Love!' project as well as engage in 'Acts of Kindness' with peers. In the process, we place emphasis on providing respect to everyone including oneself.

I.\$. 227

# The Louis Armstrong Middle School

"No One Eats Alone Day" February 14, 2020

It was a day students invited someone new, made an introduction and started a new friendship.

Students were encouraged to sit in a new area and begin a conversation.

## P.S. 2

Spirit Week Feb 10-14

Monday- Mismatch & messy hair day

Tuesday- School Spirit

Wednesday-Time Warp

Thursday- Team Sports

Friday- Dress to Impress or wear red for love

P.\$. 112

PTA Valentine's Day sale was a success

Thank you to our special parent readers who took time out to read to our students for World Read

Aloud Day

P.J. 361

3<sup>rd</sup> and 4<sup>th</sup> grade students show off their dance moves!

We are 100 days smarter! A special treat that built suspense. Who would be the 100<sup>th</sup> student this morning?

## P.S. 361

Pre-K families enjoy a special event, "Where We Live" showcase in collaboration with Studio in a School

Pre-K Celebration of Light unit including creating their own Starry Night paintings! Students made choices about brush types, colors and techniques they would use for their paintings. What a fun way to end a unit.

### **Congratulations Principal Hwang**

for 5 years as founding principal of P.S. 361.

Ms. Hwang was honored at the NYCEPA conference! We are celebrating our wonderful leader in this great accomplishment.
